EXPOSE.
BY READING THE FOLLOWING AFFIDAVIT
the Public will learn the truth, and where
the recipe for making the stuff they call Dr. S. P.
Townsend's Sarsaparilla, came from—and will be able
to judge which is the genuine article, and which is
the imposture. The man who is employed in selling it as
the original Dr. Townsend's Sarsaparilla, Dr. S. P.
Townsend, the original proprietor and inventor of
Dr. Townsend's Sarsaparilla, and his medicine has
gained a reputation that no other remedy ever gained.
It is manufactured on one million of bottles per day,
and is manufactured in the city of New York. We use
no more Sarsaparilla and Yellow Dock in our
establishment each day, than all the other Sarsaparilla
manufacturers in the world. Prepared Office, 125
Fulton-st.

READ THE AFFIDAVIT.
City and County of New-York, ss.
I, William Armstrong, of the said City, being duly
sworn, doth depose and say that he is a licentiate
Dentist and Chemist. That some time in the latter
part of May, or first of June, 1848, a man by the name
of Jacob Townsend, who at that time was a book and
print shop publisher, called upon him at the house
of Mr. Thompson, No. 43 Hudson-street, where he
deposited, and requested permission to write him a
recipe by which to make a Syrup of Sarsaparilla.
Depositor further says, that he became acquainted
with said Townsend at the office of Theodore Foster,
Esq., Book Publisher, with whom said Townsend
dealt. That said Townsend had had frequent
conversations with depositor respecting the manufacture
of an article of Sarsaparilla to be sold under the name of
Dr. Townsend.

That said Townsend stated he was an old man,
and poor, and was not fit for hard labor, and asked to
make some money, in order to live easy in his
old days, and that if Sarsaparilla under the name of
Townsend sold well, and so much money was made
by it, he could see no reason why he might not make
something out of it too, (his name being Townsend),
if he could get a capable person to prepare a recipe,
and manufacture it for him, he would give him
the sum of \$10,000, and would be content with
nothing more. That said Townsend, who he related to
Dr. S. P. Townsend, to which he replied, that he
knew Dr. S. P. Townsend, and that he did not care for
him, as he had formed a co-partnership with men who
could furnish the requisite amount of capital, and
well prepared to defend himself against any attack
that might be made on him.

Depositor further says, that pursuant to the request
of said Jacob Townsend, he wrote a recipe in one of
the manufactures of a Syrup of Sarsaparilla, and gave it to
him. Said Townsend observed that he wanted to
make a specimen to show to his partners for their
approval, as he wished to gratify them in every thing,
as they furnished him the capital—said Townsend also
told depositor that the doctor they were to use was
not of the name of Dr. S. P. Townsend, but of
Townsend, and depositor, at the request of said Jacob
Townsend, went to the office of Dr. S. P. Townsend,
and produced one.

And depositor further says, that he has been informed,
and verily believes, that the Syrup of Sarsaparilla,
sold by Dr. S. P. Townsend, is made by the recipe
furnished by depositor, to Jacob Townsend, as a
specimen, and that the said Jacob Townsend, as
depositor deposes, is the original Dr. Townsend,
and further deposes, with not.

WILLIAM ARMSTRONG,
Sworn to before me, this 15th day of May, 1851.
C. S. WOODHULL,
Mayor of the City of New York.

PROOF! PROOF!
There is proof enough to show that Dr. S. P. Townsend's
Sarsaparilla is the original. The following is from
some of the most respectable papers in this State.

FROM THE
New York Tribune.
We published an advertisement inadvertently
some time since that did injustice to Dr. S. P. Townsend,
who is the original proprietor of the preparation
of Sarsaparilla known as Dr. Townsend's. Our
parties have within the past few months engaged or
connected themselves with a man by the name of
Townsend who put up a medicine and called it by the
same name. This medicine was advertised in the
Tribune as the original, &c. This advertisement also
contained matter derogatory to the character of Dr.
S. P. Townsend and that of his medicine. We regret
it appeared, and in justice to the Dr. make this
explanation.

FROM THE
New York Daily Sun.
Dr. Townsend's extraordinary advertisement,
which occupies an entire page of the Sun, will not escape
notice. Dr. S. P. Townsend, who is the original
proprietor of Dr. Townsend's Sarsaparilla, and whose
name is next given to the medicine, has been for several
years, driving an immense business. He receives
less than four hundred dollars of Sarsaparilla per
annum, and even this enormous sum does not satisfy
the demand. No medicine ever gained so great a
popularity as his preparation of the Sarsaparilla. His
edition of Almanacs for 1848, cost \$22,000, and he
has paid the New York Tribune, for the last four
years, over \$40,000, and he acknowledges that
it is the cheapest advertising he has had done.
This medicine is sold in the States of New York,
Indiana, South America and Europe, in considerable
quantities, and is coming into general use in those
countries, as well as in this.

Swindlers.
Druggists and others that sell Sarsaparilla for
the genuine and original Dr. Townsend's Sarsaparilla,
that is not signed by S. P. Townsend, commits a fraud,
and swindles the customers. Signs that would be
guilty of such an act, would commit any other fraud
—and so druggist of common intelligence but know
that ours is the only genuine.

Old Jacob Townsend.
Some people who are not well informed, and have
not read the papers, and not seen our advertisements,
have been led to suppose, that because these men
advertise their stuff as "Old Jacob Townsend's," that
it must, of course, be the original. It is less than one
year since they commenced to make their medicine.
Ours has been in the market ever ten years.

This Old Jacob Townsend.
They are endeavoring to palm off on the public as
an old Physician, &c. He is a learned, educated
Physician, and never attempted to manufacture a
medicine, until they menured him for the use of his
name. They say they do not wish the people to be
deceived that their Sarsaparilla is ours, or that we
better to deceive the public, they at the same time
assert that their is the Old Dr. Townsend's, and
the original, and endeavor to make the people believe
that the stuff they manufacture, is the Dr. Townsend's
Sarsaparilla, that has performed so many wonderful
cures for the past ten years, and which has gained a
reputation which no other medicine has, and which
is a base, villainous, unprincipled falsehood.
We have commenced suits against these men for
damages. We wish it to be understood that the old man
is no relation to Dr. Townsend whatever. In their
advertisements and circulars they publish a number of
gross falsehoods respecting Dr. Townsend, which we
will not notice.

False Reports.
Our opponents have published in the papers, that
Dr. S. P. Townsend was dead. This they send to their
agents up the country, who report that we have
given up business, &c. The public should be on
their guard, and not be deceived by these unprincipled
men.

B.A. FAHNESTOCK'S VERMIFUGE.
A SURE REMEDY FOR WORMS

The testimony in its favor is over-
whelming. The proprietors are dai y in
receipt of letters and certificates, going
to prove its remarkable efficiency to all
cases of worms, both in children and ad-
ults. The relief given, and the immedi-
ate improvement of health which follows
its use, has called the attention of physi-
cians to this article, and they freely re-
commend & prescribe it in their practice.

The retail price is 25 cents per vial which
brings it within the means of all.
Brooklyn, L. I. January 16, 1847.

I do certify that I gave one bottle of
B. A. Fahnestock's Vermifuge to my child,
and in seven hours it passed 23 large
worms. Any person doubting this may
apply for further information at my resi-
dence corner of York and Jackson's st's.
JAMES McCAFREY.

Poughkeepsie, N. Y. March 2, 1844.
I certify, that I took two vials of B. A.
Fahnestock's Vermifuge, which I found
to be the greatest cure for worms I have
ever used. I have been troubled with
tape worms for a number of years, and I
have never found so good a medicine as
B. A. Fahnestock's Vermifuge. I there-
fore recommend it.

The public is cautioned against coun-
terfeits and spurious articles, and to put
no confidence in statements that 'Kohn-
stock's,' and 'S. Fahnestock's' Vermifuge

uine article, which is B. A. Fahnestock's
Vermifuge.

Mutual Fire Insurance Comp'y.
The rate of Insurance is one dollar on
the thousand dollars insured, after
which payment no subsequent tax will
be levied, except to cover actual loss or
damage by fire, that may fall upon mem-
bers of the company.

The net profits arising from interest
or otherwise, will be ascertained yearly,
for which each member in proportion to
his, her, or their deposit, will have a
credit in the company. Each insurer in
or with the said company will be a mem-
ber thereof during the term of his or her
policy. The principle of Mutual Insur-
ance has been thoroughly tested—has
been tried by the unerring test of experi-
ence, and has proved successful and be-
come very popular. It affords the great-
est security against loss or damage by
fire, on the most advantageous and rea-
sonable terms.

Raising Blood
And Consumption, pain in the side and
night sweats, Asthma, Whooping Cough,
pulsation of the heart, Liver complaint,
Bronchitis, and all diseases of the
throat, lungs and liver cured by, Sher-
man's All-Healing Balsam.

RAISING BLOOD & CONSUMPTION
Mr. Milne, Builder, in Brooklyn, was
attacked with raising blood, followed by
a cough, pain in the side, and all the us-
ual symptoms of consumption. He em-
ployed two of the best physicians; they
did him no good, and told him he could
not live.

Hearing of the wonderful cures per-
formed by Sherman's Balsam, he sent at
10 o'clock at night to Mrs. Hayes, 136
Fulton street, and got a bottle; it operated
like a charm, stopped the bleeding and
cough! Before he had taken one bottle
he was able to be about his work. It had
saved his life. His daughter, residing at
127 Myrtle Avenue, can attest it.

Miss Ann Maston, of Williamsburg,
living in Tenth, near South Fourth st.,
says—That she had been troubled with a
haacking cough, and pain in the chest, for
a long time, which at last became so bad
that she was obliged to give up her school
for more than a year. She then com-
menced taking the All-Healing Balsam
—which soon alleviated her symptoms.—
She is now fast recovering, and has re-
sumed her laborious occupation as a teach-
er.

14 years Mr. John O'Neil, 10th ave-
nue and 21st street, suffered with a cough,
raising of phlegm, and pain in his side.
He could get no relief til he tried the
All-Healing Balsam, which drove the pain
from his side, allayed the cough, and
brought the disease upon the surface; and
before he had taken three bottles, was
entirely cured.

PLEURISY AND CONSUMPTION.
Mrs. Baggas, a lady upwards of 70, re-
siding 88 Sheriff street, has for years been
subject to attacks of Pleurisy, Raising
of Blood, severe Cough, Shortness of
Breath, Pain in her Head and various
parts of her body. Her friends believed
past recovery. The All-Healing Balsam
relieved her at once of all her alarming
symptoms, and now she is able to attend
to her work.

ASTHMA AND WHOOPING COUGH.
Mrs. Lucretia Wells, 95 Christie st.;
L. S. Beals, 19 Delancy street; W. H.
Youngs, 75 Walnut st.; know the value of
this great remedy.

Ask for sherman's All-Healing Bal-
sam, and see that his written signature is
on each bottle.

Price 25 cents and \$1 per bottle.

THE WONDER OF THE AGE.
Internal and External Remedy.

The proprietor of this justly esteemed me-

medical qualities were spreading over a large
surface of country was induced to offer it for
sale, and such is the demand that some fifty
persons are employed daily in putting it up
for the large Cities. Every Farmer should
have a bottle of this medicine in his house in
cases of sudden sickness.

A great discovery and valuable medicine.
It cures Cholera, Bowel Complaints, Chol-
