City and County of New-York, ss.
William Armstrong, of the said City, being duly sworn, doth depose and say that he is a practical Druggist and Chemist. That some time in the latter part of May, or first of June, 1848, a man by the name of Jacob Townsend, came to his store, and he being a regular peddler, called upon him at the house of Mr. Thompson, No. 42 Hudson-street, where he was boarded, and requested him to write him a receipt by which to make a Syrup of Sarsaparilla. Dr. Townsend said that he had been acquainted with said Townsend, and that he had seen him at the office of Dr. Townsend, and that he had seen him at the office of Dr. Townsend, and that he had seen him at the office of Dr. Townsend.

By virtue of a writ of venditioni exponas issued out of the Court of Common Pleas of Monroe county, Penn'a., to me directed, I will expose to public sale at the public house of Henry Neff, in Polk township, on

PROOF! PROOF!
There is just one conclusive fact in S. P. Townsend's Sarsaparilla is the original. The following is from some of the most respectable papers in this State.

FROM THE
New York Tribune.
We published an advertisement inadvertently some time since that did injustice to Dr. S. P. Townsend, who is the original proprietor of the preparation of Sarsaparilla known as Dr. Townsend's. The parties have within the past few months engaged or connected themselves with a man by the name of Townsend who put his name to the preparation of Sarsaparilla, and who was advertised in the Tribune as the original. This advertisement also contained matter derogatory to the character of Dr. S. P. Townsend and that of his medicine. We regret it appeared, and in justice to the Dr. make this explanation.

FROM THE
New York Daily Sun.
Dr. Townsend's extraordinary advertisement, which occupies a large space in your paper, does not cease to excite our interest. Dr. S. P. Townsend, who is the original proprietor of Dr. Townsend's Sarsaparilla, and whose office is next door to ours, where he has been for several years, is driving an immense business. He receives no less than four hundred boxes of Sarsaparilla per day, and even this enormous quantity does not supply the demand. No medicine ever gained so great a popularity as his preparation of the Sarsaparilla. His edition of Almanacs for 1849 cost \$2,000, and he has sold the New York Sun for advertising, in the last four years, over \$100,000, and he acknowledges that it is the cheapest advertising he has had done. This medicine is exported to the Canada, West Indies, South America, and Europe, in considerable quantities, and is coming into general use in those countries, as well as here.

Some people who are not well informed, and have not read the papers, and not seen our advertisements, have been led to suppose that because these men advertise their stuff as 'Old Jacob Townsend's', that it must be the original. It is less than one year since they were marketed to make their medicine. Ours has been in the market over ten years.

Old Jacob Townsend.
They are endeavoring to palm off on the public as an old physician, &c. He is not a regular educated Physician, and never attempted to manufacture a medicine. Had these men hired him for the use of his name. They say they do not wish the people to believe that their Sarsaparilla is ours, or the same - but the better to deceive the public, they do at the same time assert that their is the Old Dr. Townsend's, and the original - and endeavor to make the people believe that the stuff they manufacture is the Dr. Townsend's Sarsaparilla, that has performed so many wonderful cures for the past ten years, and which has gained a reputation which no other medicine ever enjoyed - which is a base, villainous, unprincipled falsehood. We have commenced suits against these men for damages. We wish it to be understood that the old man is no relation to Dr. Townsend whatever. In their advertisements and circulars they publish a number of gross misstatements respecting Dr. Townsend, which we will not notice.

False Reports.
Our opponents have published in the papers, that Dr. S. P. Townsend is dead. This they send to their agents about the country, who report that we have given up business, &c. &c. The public should be on their guard, and not be deceived by these unprincipled men.

Notice of Removal. - After the first of September, 1849, Dr. S. P. Townsend's New York Office will be in the South Baptist Church, No. 2 Nassau street, which is now undergoing a thorough change, and will be fitted for the better accommodation of the proprietors and the public.

Take particular Notice. - No Sarsaparilla is the genuine and original Dr. Townsend's Sarsaparilla, unless signed by S. P. Townsend.

Agents. - Redding & Co., No. 5 State-street, and Mrs. C. K. Miller, No. 100 Canal-street, New York. Dr. J. C. Miller, Dr. Lowell, Henry Pratt, Salem; James E. Green, Worcester; Allison & Gault, Concord; J. Smith & Co., Andover; and by Druggists and Apothecaries generally throughout the United States, West Indies and the Canada.

Raising Blood
And Consumption, pain in the side and night sweats, Asthma, Whooping Cough, palpitation of the heart, Liver complaint, Rheumatism, and all diseases of the throat, lungs and liver cured by Sherman's All-Healing Balm.

RAISING BLOOD & CONSUMPTION
Mr. Mine, Builder, in Brooklyn, was attacked with raising blood, followed by a cough, pain in the side, and all the usual symptoms of consumption. He employed two of the best physicians; they did him no good, and told him he could not live.

Hearing of the wonderful cures performed by Sherman's Balm, he sent at 10 o'clock at night to Mrs. Hayes, 136 Fulton street, and got a bottle; it operated like a charm, stopped the bleeding and cough! Before he had taken one bottle he was able to be about his work. It had saved his life. His daughter, residing at 127 Myrtle Avenue, can attest it.

Miss Ann Maston, of Williamsburg, living in Tenth, near South Fourth st., says - That she had been troubled with a hacking cough, and pain in the chest, for a long time, which at last became so bad that she was obliged to give up her school for more than a year. She then commenced taking the All-Healing Balm - which soon alleviated her symptoms. - She is now fast recovering, and has resumed her laborious occupation as a teacher.

14 years Mr. John O'Neil, 10th avenue and 21st street, suffered with a cough, raising of phlegm, and pain in his side. He could get no relief till he tried the All-Healing Balm, which drove the pain from his side, allayed the cough, and brought the disease upon the surface; and before he had taken three bottles, was entirely cured.

RAISING BLOOD & CONSUMPTION
Mr. Mine, Builder, in Brooklyn, was attacked with raising blood, followed by a cough, pain in the side, and all the usual symptoms of consumption. He employed two of the best physicians; they did him no good, and told him he could not live.

Hearing of the wonderful cures performed by Sherman's Balm, he sent at 10 o'clock at night to Mrs. Hayes, 136 Fulton street, and got a bottle; it operated like a charm, stopped the bleeding and cough! Before he had taken one bottle he was able to be about his work. It had saved his life. His daughter, residing at 127 Myrtle Avenue, can attest it.

Miss Ann Maston, of Williamsburg, living in Tenth, near South Fourth st., says - That she had been troubled with a hacking cough, and pain in the chest, for a long time, which at last became so bad that she was obliged to give up her school for more than a year. She then commenced taking the All-Healing Balm - which soon alleviated her symptoms. - She is now fast recovering, and has resumed her laborious occupation as a teacher.

14 years Mr. John O'Neil, 10th avenue and 21st street, suffered with a cough, raising of phlegm, and pain in his side. He could get no relief till he tried the All-Healing Balm, which drove the pain from his side, allayed the cough, and brought the disease upon the surface; and before he had taken three bottles, was entirely cured.
