And the said act of assembly, entitled "an act relating to elections of this commonwealth," passed July 2d 1839, further provides as follows, to wit:
"That the Inspectors and Judges shall meet at the respective places appointed for holding the election in the district to which they respectively belong, before nine o'clock in the morning of the second Tuesday of October, and each of said inspectors shall appoint one clerk, who shall be a qualified voter of such district."
"In case the person who shall have received the second highest number of votes for inspector, shall not attend on the day of any election, then the person who shall have received the second highest number of votes for Judge at the next preceding election shall act as inspector in his place. And in case the person who shall have received the highest number of votes for inspector shall not attend, the person elected Judge shall appoint an inspector in his place; and in case the person elected as Judge shall not attend, the inspector who received the highest number of votes shall appoint a judge in his place; and if any vacancy shall continue in the board for the space of one hour after the

time fixed by law for the opening of the election, the qualified voters of the township, ward, or district for which such officer shall have been elected, present at the place of election shall elect one of their number to fill the vacancy.
"It shall be the duty of the several assessors respectively to attend at the place of holding every general, special, or township election, during the whole time said election is kept open, for the purpose of giving information to the inspectors, and Judge when called upon in relation to the right of any person assessed by them to vote at each election, or such other matters in relation to the assessment of voters as the said inspectors or either of them, from time to time require.
"No person shall be permitted to vote at any election as aforesaid, than a white freeman of the age of twenty-one years or more who shall have resided in the state at least one year, and in the election district where he offers to vote at least ten days, immediately preceding such election, and within two years paid a state or county tax which shall have been assessed at least ten days before the election. But a citizen of the United States who shall have previously been a qualified voter of this state, and removed therefrom and returned, and who shall have resided in the election district and paid taxes, aforesaid, shall be entitled to vote after residing in this state six months: Provided, That the white freemen, citizens of the U. States between the age of twenty-one and twenty-two years, who have resided in the election district aforesaid, shall be entitled to vote, although they shall not have paid taxes.
"No person shall be allowed to vote whose name is not contained in the list of taxable inhabitants furnished by the Commissioners unless, first, he produces a receipt for the payment, within two years, of a State or County tax assessed agreeably to the Constitution, and give satisfactory evidence either on his own oath or affirmation, or the oath or affirmation of another, that he has paid such tax, or on failure to produce such a receipt, shall make oath to the payment thereof or second, if he claim a right to vote by being an Elector between the age of twenty-one and twenty-two years he shall depose, on oath or affirmation, that he has resided in the State at least one year next before his application and make such proof of residence in the district as is required by this Act, and that he does verily believe, from the accounts given him, that he is of the age aforesaid, and gives such other evidence as is required by this act: whereupon the name of the person so admitted to vote, shall be inserted in the alphabetical list by the inspectors, and a note made opposite thereto by writing the word 'tax,' if he shall be permitted to vote by reason of having paid tax, or the word 'age,' if he shall be permitted to vote by reason of age, and such vote shall be called out to the Clerks, who shall make like notes in the list kept by them.
"In cases where the name of the person claiming to vote is not found on the list furnished by the Commissioners and Assessors, or his right to vote whether found thereon or not is objected to by any qualified citizen, it shall be the duty of the Inspector to examine such person on oath as to his qualifications, and if he claims to have resided in the state for one year or more, his oath shall be sufficient proof thereof, but he shall make proof by at least one competent witness who shall be a qualified elector, that he has resided within the district for more than ten days next preceding said election, and shall himself swear that his bona-fide residence, in pursuance of his lawful calling, is within the said district and that he did not remove into said district for the purpose of voting therein.
Every person qualified as aforesaid, and who shall make the proof, if required, of his residence and payment of taxes, aforesaid, shall be admitted to vote in the township, ward or district in which he shall reside.
"If any person shall prevent or attempt to prevent any officer of an election under this act from holding election, or use or threaten any violence to any such officer, or shall interfere with him in the execution of his duty, or shall block up the window or entrance to any window where the same may be holding, or shall use or practice any intimidation, threats, force or violence with design to influence unduly, or overawe any elector, or to prevent him from voting, or to restrain the freedom of choice, such person, on conviction shall be fined in any sum not exceeding five hundred dollars, and be imprisoned any time not less than three nor more than twelve months; and if it shall be shown to court, where the trial of such offence shall be had, that the person so offending was not a resident of the city, ward, district or township where the offence was committed, and not entitled to vote therein, then on conviction, he shall be sentenced to pay a fine of not less than one hundred nor more than one thousand dollars, and be imprisoned not less than six months nor more than two years.
"If any person or persons shall make any bet or wager, upon the result of any election within this Commonwealth, or shall offer to make such bet or wager, either by verbal proclamation thereof or by any printed or written advertisement, challenge or invitation to make such bet or wager, upon conviction thereof he or they shall pay three times the amount so bet or offered to bet.
"If any person not by law qualified, shall fraudulently vote at any election in this Commonwealth, or being otherwise qualified, shall vote out of his proper district, or if any person knowing the want of such qualification shall aid or procure such person to vote, the person offending shall on conviction be fined in any sum not exceeding two hundred dollars, and be imprisoned for the term not exceeding three months.
"If any person shall vote at any more than one election district, or otherwise fraudulently vote more than once on the same day, or shall fraudulently fold and deliver to the Inspector two tickets together with the intent illegally to vote or advise and procure another to do so, he or they offending, shall on conviction, be fined in any sum not less than fifty nor more than five hundred dollars and be imprisoned for any term not less than three nor more than twelve months.
"If any person not qualified to vote in this Commonwealth, agreeably to law, (except the sons of qualified citizens) shall appear at any place of election for the purpose of issuing tickets, or of influencing the citizens qualified to vote, he shall on conviction forfeit and pay any sum not exceeding one hundred dollars for every such offence and be imprisoned for every such offence three months.
"Agreeably to the provision of the sixty first section of said act every General and special election shall be opened between the hours of eight and ten in the forenoon, and shall continue without interruption or adjournment until seven o'clock in the evening, when the polls shall be closed.
Pursuant to the provision contained in the 76th section of the act aforesaid, the Judges

of the aforesaid district shall take charge of the certificate or return of the election of their respective districts and produce them at a meeting of the Judges from each district, at the Court House in the Borough of Stroudsburg, on the third day after the day of election, being for the present year on FRIDAY, the 17th of OCTOBER next, then and there to do, and perform the duties required by law of said Judges. Also, that where a Judge by sickness or unavoidable circumstances, is unable to attend said meeting of Judges, then the certificate or return as aforesaid shall be taken charge of by one of the Inspectors or clerks of the election of said district, who shall do and perform the duties required of said Judge unable to attend.
