B. A. FAHNESTOCK'S VERMIFUGE.

A SURE REMEDY FOR WORMS

The testimony in its favor is overwhelming. The proprietors are daily in receipt of letters and certificates, going to prove its remarkable efficiency to all cases of worms, both in children and adults. The relief given, and the immediate improvement of health which follows its use, has caused the attention of physicians to this article, and they freely recommend & prescribe it in their practice.

The retail price is 25 cents per vial which brings it within the means of all.

Brooklyn, L. I. January 16, 1847.
I do certify that I gave one bottle of B. A. Fahnestock's Vermifuge to my child, and in seven hours it passed 23 large worms. Any person doubting this may apply for further information at my residence corner of York and Jackson st's.

JAMES McCAFREY.
Poughkeepsie, N. Y. March 2, 1844.
I certify, that I took two vials of B. A. Fahnestock's Vermifuge, which I found to be the greatest cure for worms I have ever used. I have been troubled with tape worms for a number of years, and I have never found so good a medicine as B. A. Fahnestock's Vermifuge. I therefore recommend it.

MARTHA CLIFT.
The public is cautioned against counterfeits and spurious articles, and to put no confidence in statements that 'Kohnstock's' and 'S. Fahnestock's,' Vermifuge are the same or as good as the only genuine article, which is B. A. Fahnestock's Vermifuge.

Cure of Consumption,

Liver Complaint, Colds, Coughs, Asthma, Bronchitis, and all Throat and Lung Complaints.

I have published a brief work on Consumption, which contains an invaluable recipe for the cure of these prevalent diseases, even in their worst stages, when friends and physicians have given up all hope. The Lung Balsam prescribed in this work Cures without the expensive aid of physicians or injurious use of patent medicines. In adopting this System of Cure the patient knows what he is getting—knows that he is not shortening his days by the use of anodynes or mercurials, which may seem to relieve but never Cure. He knows when using this Life saving Balsam, that he is taking mild, pleasant, efficacious remedies, such as Nature prescribes for the ill her children suffer. The ingredients composing this Lung Balsam are obtainable (cheaply too) wherever consumption exists, proving that Every ill has its antidote. Consumptive patients may rely on this receipt—(all Lung Complaints are removed by its use)—I would not attach my name to it, had I doubt of its efficacy. The directions for preparing and using the Balsam are perfectly plain. I prefer selling the Recipe to making the Balsam, as it enables people to Make their own Medicine at a trifling Cost. I will impart the secret of making the Balsam, and the Family right to use it, for \$1, but in no case will I sell it for speculating purposes.

Proof of its Goodness.

JACKSON, Mich. March 21, 1851.
Doct. S. TOUSEY—Sir: You wished me to let you know what effect your preparation of Medicine for Consumption and other diseases had in my family. After the first ten days my wife gained in weight 3 lbs, relieved her cough, changed her countenance, and all appearances were better. My family would not be willing to do without it. It is a medicine much needed in Jackson—there is many cases similar to my wife's. The Rev. Mr. Bischoff would write you for a recipe. Respectfully yours,
O. F. POOL.

HORSES MADE SOUND

BY THE

Horse Owner's Secret,

Being a new and certain remedy for the speedy

Cure of Heaves,

By SIR JAMES LYNDONTON,

Principal Farrier to his Royal Highness Prince Albert.

THE great discovery contained in this little work procured Sir James his Baronetcy. It is really worth its weight in gold to all who own or use Horses. It prescribes a Certain and positive cure for Heaves which any person can prepare. The remedy is better and cheaper than any advertised Heave Powder, and is perfectly safe, as any one can know who tries it. Horse owners know that many a valuable Horse loses half its price by this prevalent disease. The remedy prescribed in this work will cure him and increase his market value, besides relieving the poor beast of a horrible complaint, similar to the Asthma in a man. The public can depend on this work; it is no catchpenny humbug. The articles prescribed by Sir James are all cheap and can be had at any store. To prevent imposition the work will be sent in sealed envelopes. English price four shillings and three pence sterling.—American price, \$1 per copy. Persons ordering Sir James' Work, are expected to confine his instructions to their own animals.—It will be sent to none others.

An American Horse Doctor approves of the above System! Read what he says:

BREINIC, FRONFIELD & CO.

No. 187 North Third street, Philadelphia.

The proprietors of the above powder take pleasure in being able to call your attention to this article, which in all respects exceeds any thing of the kind offered to the public for the last fifty years. It is not only of individual interest but it must in time become a great National benefit; in the aggregate it will add at least one Million of Dollars annually to the produce of the Country, in the increase of Milk, Butter and Fat from the same amount of food, besides the many, very many lives of valuable animals it will save by restoring them to health. It is therefore destined to be in due time one of the staple articles of every Farmer, Dairyman and Horseman. It is not one of those kind of Mixtures that merely swell an animal up
