> life like" the sacred writings. It is not the author's design to supersede the Bible. But his wish is to excite a solicitude to obtain, and to become intimately acquainted and perfectly familiar with its history, doctrines and laws; to know its truth, to imbine its spirit. feel its power, and partake of its salvation; in a word, to prize in some measure as it deserves, this treasure which is indeed beyond price. We predict for it a circulation far beyond any of the author's former works.

> The News, January 7th Sacred Scenes Characters .- By the Rev. J. T. Headley, author of the 'Sacred Mountains," &c. This work will add greatly to the reputation of the author. In literary merit it more than equals his 'Sacred Mountains.' Mr. Headley excels in his glowing style and vivid descriptions. His works are a rich treasury of all the sublimity of thought, moving tenderness of passion, and vigorous strength of expression, which are to be found in all the languages by which mortals declare their minds .- Daily Glube. January 5th

> Rambles and Sketches-By Rev J T Head. ley .-- We have not for a long time sat down to a book with more pleasing anticipations, or found those anticipations more fully realized, than in the perusal of the work before us, and we know it will be hailed with gratification by the many admirers of the talented author. His 'Napoleon and his Marshals' was, perhaps, as popular, and found at least as many enthusiastic readers as any book that can be mentioned We think the Rambles & Sketches are destined to be as popular at least as any of his previously published works. There is not a dull chapter in the work, filled as it is with 'an infinite variety ' The author has ample room and verge enough for the employment of his fine talents to great advantage, and most successfully has he recomplipsely the task. The biographical sketch of the author is interesting and 'well considered,' and adds much to the value of the book, which is got up in a very neat and attractive style by the publisher .- Partland Transcript, Dec. 15 Mr. Headley is one of the most promising

writers of this country, and we have here one of his best books -- one on which he can safely rest his fame. It possesses the upfatiguing charms of perfect simplicity and truth .--There is a graceful frankness pervading the composition, which engages the interest of the reader in the author as well as in the subject. His rambles about Rume, Paris and London exhibit a thousand lively traits of an ingenuous nature, upon which a man of taste will delight to linger. We predict for this a sale equal to that of any of the author's works. New York News.

The collection is one of which no author need be ashame k It consists, indeed, of some of Mr. Headley's most brilliant and highly-finished compositions, of those specimens of his abilities by which he may be judged with the greatest safety to his fame as a word-painter and thinker .- NY Tribune, December 17, 1849

N B-The above books will be forwarded to order, at the prices mentioned, free of postage, to any part of the United States, on the receipt of orders, with the money. Money may be sent by mail at my risk.
