COUNTRY MERCHANTS and Post-Masters can procure subscribers to, and sell 'Sears' Pictorial Works,' make a handsome profit, and sustain no loss.
Any person wishing to embark in the enterprise, will risk little by sending to the publisher \$25, for which he will receive sample copies of the various works (at wholesale prices) carefully boxed, insured, and directed, affording a very liberal per centage to the Agent for his trouble. With these he will soon be able to ascertain the most saleable, and order accordingly.

To young men of enterprise and tact, this business offers an opportunity for profitable employment seldom to be met with—There is not a town in the Union where a right honest and well disposed person can fail of selling from 50 to 200 volumes, according to the population.
Persons wishing to engage in the sale of our Works, will receive promptly by mail a circular containing full descriptions, with the terms on which they will be furnished, by addressing the publisher, post-paid.

Orphan's Court Sale
OF A VALUABLE TANNERY AND REAL ESTATE.
Late the property of S. Meyer, dec'd.

By virtue of an order of the Orphan's Court of the County of Monroe, will be sold at public sale on the premises in Bartonsville, Pocono township, Monroe co., on Tuesday the 20th day of April next, at ten o'clock A. M., a valuable stone tannery and three contiguous tracts of land containing about 42 acres. The tannery is 75 feet by 55 feet, with an addition of 35 feet, three stories high, containing 45 vats, all as good as new; a bark shed, 16 by 90 feet. The whole is well and substantially built, and contains all necessary tanning tools and apparatus, with one of the best water powers in the country.

On the same property is also a large frame dwelling house, well finished—frame barn, store house, and wagon house. The land is nearly all improved, and in a high state of cultivation, adjoining lands of John Edinger and others, in Bartonsville. The above property has many advantages as a tannery; it is on the North & South turnpike, and in a neighborhood where oak and hemlock bark is plenty and easily to be had, and is estimated to tan 9000 hides per year.
It is very seldom that a better opportunity is offered to a man with a moderate capital to go into the tanning business. Everything about the works has been got up very substantially. Terms and conditions made known at the time of sale by the undersigned.
