

The Indians on the Texas Frontier.

Some of the Texas papers, in view of threatening demonstrations recently made by the Indians on the frontier, are loudly sounding the alarm, and calling for assistance. The Houston Telegraph of the 6th instant says:

"There no longer remains a shadow of doubt that an Indian war is raging upon our borders. The savages have attacked several of the frontier posts, and have assumed a hostile attitude along the whole line of border settlements, from the Trinity to the Rio Grande. Several of the frontier settlements are breaking up, and women and children are again seen flying for protection to the more secure points in the interior. It is evident that the General Government has not prepared for the emergency; and unless some efficient force is immediately sent to the frontier by the State authorities, not only the frontier settlements, but some of the military posts, may fall into the hands of the savages. We hope the Governor will not wait to receive orders from the General Government, but without a moment's delay call a sufficient force of rangers into the field to drive back the hostile bands from the frontier, and to attack them in their mountain fastnesses."

The murrain is prevailing to a great extent among the cattle in the vicinity of Memphis, Tenn., and they are dying off by scores. Some planters have lost as many as seventy head in a few days.

An ounce of fact is worth a pound of theory; and the swarm of conclusive facts that cluster round that incomparable preparation, Hoofland's German Bitters, prepared by Dr. C. M. Jackson, Philadelphia, establishing its value as a tonic and restorative, are such as would prevent incredulity itself from questioning its efficacy. In all cases of disease of stomach, whether acute or chronic, it may be recommended for its soothing, cordial, and renovating influence. Dyspepsia, heartburn, loss of appetite, nausea, nervous tumors, relaxation, debility, &c. are relieved, by the Bitters in a very short space of time; and a perseverance in their use never fails to work a thorough cure.

STAGE LINES.

The Stroudsburg and Easton mail line of stages, consists of excellent four horse coaches, and leaves J. J. Postens' Indian Queen Hotel, Stroudsburg, Pa. every day (except Sundays) at 7 o'clock A. M. arriving in Easton before the departure of the cars for New York, or stages to Bethlehem and Allentown.

The following lines leave Postens' Indian Queen Hotel, Stroudsburg, Pa. every Monday, Wednesday and Friday, returning on alternate days:
A line to Port Jervis, leaving at 7 o'clock A. M. via Bushkill, Dingman's Choice and Milford. Returning, leaves Port Jervis immediately after the arrival of the morning train of cars to New York, at about 8 o'clock A. M.
A line to Mauch Chunk, leaving at 7 o'clock A. M. via Brodheads, where it connects with lines to Wilkes, Bare and White Haven.

LIVER COMPLAINT, Jaundice, Dyspepsia, Chronic or Nervous Debility, Diseases of the Kidneys,

and all diseases arising from a disordered Liver or Stomach, such as a constipation, inward piles, fullness or blood to the head, acidity of the stomach, nausea, heartburn, disgust for food, fullness, or weight in the stomach, sour eructations, sinking or fluttering at the pit of the stomach, swimming of the head, hurried and difficult breathing, fluttering at the heart, choking or suffocating sensations when in a lying posture, dimness of vision, dots or webs before the sight, fever and dull pain in the head, deficiency or perspiration, yellowness of the skin & eyes, pain in the side, back, chest, limbs, &c. sudden flushes of heat, burning in the flesh, constant imaginings of evil and great depression of spirits, can be effectually cured by *Dr. Hoofland's celebrated German Bitters*, PREPARED BY **Dr C M Jackson**, at the German Medicine Store, 120 Arch st. Philadelphia. Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are without sale, certain and pleasant.

Read and be Convinced. From the Boston Bee. The editor said, Dec. 22nd—*Dr Hoofland's celebrated German Bitters* for the cure of Liver complaint, jaundice, dyspepsia, chronic or nervous debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend of our elbow says he has himself received an effectual and permanent cure of Liver complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use. "SCOTT'S WEEKLY," one of the best literary papers published, said, Aug. 25—

"*Dr. Hoofland's German Bitters*, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems."

More Evidence. The Hon. C. D. Hineine, Mayor of the City of Camden, N. J., says: "Hoofland's German Bitters.—We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From inquiry we were persuaded to use it, and must say we found it specific in its action upon disease of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration is really surprising. It calms and strengthens the nerves, bringing them into a state of repose, making sleep refreshing."

"If this medicine was more generally used we are satisfied there would be less sickness, not from the stomach, liver, and nervous system the great majority of real and imaginary diseases emanate. Have them in a healthy condition, and you can bid defiance to epidemics generally. This extraordinary medicine we would advise our friends who are at all indisposed, to give a trial—it will recommend itself. It should, in fact, be in every family. No other medicine can produce such evidences of merit."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor, is, that there is more of it used in the practice of the regular Physicians of Philadelphia, than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in all bilious diseases—the effect is immediate. They can be administered to female or infant with safety and reliable benefit at any time.

Look well to the marks of the genuine. They have the written signature of C. M. JACKSON upon the wrapper, and his name glows in the bottle, without which they are spurious.

For sale Wholesale and Retail at the German Medicine Store, No. 120 Arch street, one door below 6th, Philadelphia; and by respectable dealers generally through the country.

HORSES MADE SOUND BY THE Horse Owner's Secret, Being a new and certain remedy for the speedy Cure of Heaves,

By SIR JAMES LYNDONTON, Principal Farrier to his Royal Highness Prince Albert.

THE great discovery contained in this little work procured Sir James his Baronetcy. It is really worth its weight in gold to all who own or use Horses. It cures a Certain and positive cure for the Heaves which any person can prepare. The remedy is better and cheaper than any advertised Heave Powder, and is perfectly safe, as any one can know who tries it. Horse owners know that many a valuable Horse loses half its price by this prevalent disease. The remedy prescribed in this work will cure him and increase his market value, besides relieving the poor beast of a horrible complaint, similar to the Asthma in a man. The public can depend on this work; it is no catchpenny humbug. The articles prescribed by Sir James are all cheap and can be had at any store.
