RAISING BLOOD & CONSUMPTION

Mr. Milne, Builder, in Brooklyn, was attacked with raising blood, followed by a cough, pain in the side, and all the usual symptoms of consumption. He employed two of the best physicians; they did him no good, and told him he could not live.

Hearing of the wonderful cures performed by Sherman's Balsam, he sent at 10 o'clock at night to Mrs. Hayes, 136 Fulton street, and got a bottle; it operated like a charm, stopped the bleeding and cough! Before he had taken one bottle saved his life. His daughter, residing at 127 Myrtle Avenue, can attest it.

The editor said, Dec. 22nd-Dr Hoofland's celebrated German Bitters for the cure of Liver complaint, jaundice, dyspepsia, chronic or nervous debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor-a fact worthy of great considers. tion. They are pleasant in taste and smc! and can be used by persons with the most delicate stomachs with safety, under any circumstances.
