

JUST PUBLISHED.

T. B. Welch's Magnificent PORTRAIT OF WASHINGTON.

Engraved (by permission) from Stuart's only original portrait, in the Athenaeum, Boston.

This superb picture, Engraved under the superintendence of Thomas Sully, Esq., the eminent and highly gifted artist, is the only correct likeness of Washington ever published.

As it has been characterized as the greatest work of art ever produced in this country. As to its fidelity, we refer to the letters of the adopted son of Washington, George Washington Park Custis, who says, "It is a faithful representation of the celebrated original, and to chief Justice Taney of the Supreme Court of the United States, who says, "As a work of art its excellence and beauty man strike every one who sees it; and it is no less happy in its likeness to the Father of his country."

For the great merits of this picture we would refer every lover of Washington to the portrait itself, to be seen at the office of this paper, and to the letters of the following Artists, Statesmen, Jurists and Scholars accompanying it.

Artists.—Marchant and Elliot, of New York; Neagle, Rothermel, and Landin, of Philadelphia; Chesler, Harding, of Boston; Charles Fraser, of Charleston, S. C.; and to the adopted son of Washington, Hon. Geo. W. P. Custis, himself an artist. Statesmen.—His Excellency Millard Fillmore, Major Gen. Winfield Scott, Hon. George M. Dallas, Hon. William R. King, Hon. Daniel Webster, Hon. Lynn Boyd, Hon. Lewis Cass, Hon. Wm. A. Graham, Hon. John P. Kennedy, Hon. R. C. Winthrop, LL. D.—Jurists.—Hon. Roger B. Taney, Hon. John Doer, Hon. John McLean, Hon. Rufus Choate Scholer.—Charles Folsom, Esq., the well known Librarian of the Boston Athenaeum, who says, "I would rather own it than any painted copy I have ever seen."

Every Family should have a copy.

An invaluable book, only 25 cts. per copy—Man know thyself.

DR HUNTER'S MANUAL & HAND BOOK for the afflicted. Containing an outline of the Origin, Progress, Treatment and Cure of every form of disease, contracted by promiscuous Sexual Intercourse, by Self-abuse, or Sexual Excess, with advice for their prevention, written in a familiar style, avoiding all medical technicalities, and everything that would offend the ear of decency, from the result of some twenty years successful practice, exclusively devoted to the cure of diseases of a delicate or private nature.

To which is added, receipts for the above diseases, and a treatise on the causes, symptoms and cure of the Fever and Ague, for twenty five cents a copy; six copies one dollar; will be forwarded to any part of the United States, by mail, free of postage. Address, postage paid, "Box, 196 Post Office, or the Author, 38 North Seventh Street Philadelphia.

FIFTY DOLLARS Reward. Dr. Hunter will forfeit \$50 if failing to cure any case of secret disease that may come under his care, no matter how long standing or afflicting. Either sex are invited to his Private Rooms, 38 North Seventh Street Philadelphia, without fear of interruption from other patients. Strangers and others who have been unfortunate in the selection of a Physician are invited to call.

IMPOTENCY.—Through unrestrained indulgence of the passions, by excess or self abuse, the evils are numerous. Premature impotency, involuntary seminal discharges, wasting of the organs, loss of memory, a distaste for female society, general debility, or constitutional derangement, are sure to follow. If necessary, consult the Doctor with confidence; he offers a perfect cure.

READ AND REFLECT.—The afflicted would do well to reflect before trusting their health, happiness, and in many cases their lives, in the hands of Physicians ignorant of this class of maladies. It is certainly impossible for one man to understand all the ills the human family are subject to.

Every respectable physician has his peculiar branch, in which he is more successful than his brother professors, and to that he devotes most of his time and study.

YEARS OF PRACTICE, exclusively devoted to the study and treatment of diseases of the sexual organs, together with ulcers upon the body, throat, nose, or legs, pains in head, or bones, mercurial rheumatism, stricture, gravel, irregularities, disease arising from youthful excesses, or impurities of the blood, whereby the constitution has become enfeebled, enables the Doctor to offer speedy relief to all who may place themselves under his care.
