# T. B. Welch's Magnificent

PORTRAIT OF WASHINGTON. Engraved (by permission) from Stuart's only original portrait, in the Athenum, Bos-

This superb picture. Engraved under the superintendence of Thomas Sully, Esq., the eminent and highly gifted artist, is the only correct likeness of Washington ever published. It has been characterised as the greatest work of art ever produced in this country. As to its fidelity, we refer to the letters of the adopted son of Washington, George Washington Park Custis, who says, "it is a faithful representation of the celebrated original," and to chief Justice Taney of the Supreme Court of the United States, who says, "As a work of art its excellence and beauty must strike every one who sees it: and it is no less happy in its likeness to the Father of his country. It was my good fortune to have seen him in the days of my boyhood, and his whole appearance is yet strongly impressed on my memory. The portrait you have issued appears to me to be an exact ikeness, representing perfectly the expression as well as the form and features of the face." And says Senator Cass, it is a lifelike representation of the great original -President Fillmore says, 'the work appears to me to have been admirably executed and eminently worthy of the patronage of the public." Says Marchant the eminent portrait painter, and the pubil of Stuart, " your print to my mind is more remarkable than any other I have seen, for presenting the whole individuality of the original portrait, together with the noble and dignified repose of air and manner, which all who ever saw him considered a marked characteristic of the il- ter, Amzi Coolbaugh. lustrous man it commemorates." Fr the great merits of this picture we would

efer every lover of Washington to the por- py. traititself, to be seen at the office of this paper' and to the letters of the following Artists, Statesmen, Jurists and Scholars accompany-
