Raising Blood
And Consumption, pain in the side and night sweats, Asthma, Whooping Cough, palpitation of the heart, Liver complaint, Bronchitis, and all diseases of the throat, lungs and liver cured by Sherman's All-Healing Balm.

RAISING BLOOD & CONSUMPTION
 Mr. Milne, Builder, in Brooklyn, was attacked with raising blood, followed by a cough, pain in the side, and all the usual symptoms of consumption. He employed two of the best physicians; they did him no good, and told him he could not live.

Hearing of the wonderful cures performed by Sherman's Balsam, he sent at 10 o'clock at night to Mrs. Hayes, 136 Fulton street, and got a bottle; it operated like a charm, stopped the bleeding and cough! He had taken one bottle when he was able to be about his work. It had saved his life. His daughter, residing at 127 Myrtle Avenue, can attest it.

Miss Ann Maston, of Williamsburg, living in Tenth, near South Fourth st., says—That she had been troubled with a hacking cough, and pain in the chest, for a long time, which at last became so bad that she was obliged to give up her school for more than a year. She then commenced taking the All-Healing Balsam—which soon alleviated her symptoms.—She is now fast recovering, and has resumed her laborious occupation as a teacher.

14 years Mr. John O'Neil, 10th avenue and 21st street, suffered with a cough, raising of phlegm, and pain in his side. He could get no relief till he tried the All-Healing Balsam, which drove the pain from his side, allayed the cough, and brought the disease upon the surface; and before he had taken three bottles, was entirely cured.

PLEURISY AND CONSUMPTION.
 Mrs. Bagdas, a lady upwards of 70, residing 88 Sheriff street, has for years been subject to attacks of Pleurisy, Raising of Blood, severe Cough, Shortness of Breath, Pain in her Head and various parts of her body. Her friends believed past recovery. The All-Healing Balsam relieved her at once of all her alarming symptoms, and now she is able to attend to her work.

ASTHMA AND WHOOPING COUGH.
 Mrs. Lucretia Wells, 95 Christie st.; L. S. Beals, 19 Delancy street; W. H. Youngs, 75 Walnut st.; know the value of this great remedy.

Ask for Sherman's All-Healing Balsam, and see that his written signature is on each bottle.

Price 25 cents and \$1 per bottle. Dr. Sherman's Worm and Cough Lozenges for sale at this office.

Cure of Consumption,
Liver Complaint, Colds, Coughs, Asthma, Bronchitis, and all Throat and Lung Complaints.

I have published a brief work on Consumption, which contains an invaluable recipe for the cure of these prevalent diseases, even in their worst stages, when friends and physicians have given up all hope. The Lung Balsam prescribed in this work Cures without the expensive aid of physicians or injurious use of patent medicines. In adopting this System of Cure the patient knows what he is taking—knows that he is not shortening his days by the use of anodynes or mercurials, which may seem to relieve but never Cure. He knows when using this Life saving Balsam, that he is taking mild, pleasant, efficacious remedies, such as Nature prescribes for the ill her children suffer. The ingredients composing this Lung Balsam are obtainable (cheaply too) wherever consumption exists, proving that Every ill has its antidote. Consumptive patients may Rely on this receipt (—all Lung Complaints are removed by its use)—I would not attach my name to it, had I doubt of its efficacy. The directions for preparing and using the Balsam are perfectly plain. I prefer selling the Receipt to making the Balsam, as it enables people to Make their own Medicine at a trifling Cost. I will impart the secret of making the Balsam, and the Family right to use it, for \$1, but in no case will I sell it for speculating purposes.

Proof of its Goodness.
 JACKSON, Mich. March 21, 1851.
 DOCT. S. TOUSEY—Sir: You wished me to let you know what effect your preparation of Medicine for Consumption and other diseases had in my family. After the first ten days my wife gained in weight 3 lbs, relieved her cough, changed her countenance, and all appearances were better. My family would not be willing to do without it. It is a medicine much needed in Jackson—there is many cases similar to my wife's. The Rev. Mr. Blanchard will write you for a recipe. Respectfully yours, O. F. POOL.

and all diseases arising from a disordered Liver or Stomach, such as a constipation, inward piles, fullness or blood to the head, acidity of the stomach, nausea, heartburn, disgust for food, fullness, or weight in the stomach, sour eructations, sinking or fluttering at the pit of the stomach, swimming of the head, hurried and difficult breathing, fluttering at the heart, choking or suffocating sensations when in a lying posture, dimness of vision, dots or webs before the sight, fever and dull pain in the head, deficiency or perspiration, yellowness of the skin & eyes, pain in the side, back, chest, limbs, &c. sudden flushes of heat, burning in the flesh, constant imaginings of evil and great depression of spirits, can be effectually cured by *Dr. Hoopland's celebrated German Bitters,*

PREPARED BY
Dr C. M. Jackson,
 at the German Medicine Store, 130 Arch st. Philadelphia. Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States, as the cases attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are withal, safe, certain and pleasant.

Read and be Convinced.
 From the Boston Bee.

The editor said, Dec. 22nd—Dr Hoopland's celebrated German Bitters for the cure of Liver complaint, jaundice, dyspepsia, chronic or nervous debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use.

"SCOTT'S WEEKLY," one of the best Literary papers published, said, Aug. 25—

"Dr. Hoopland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems."

More Evidence.

The Hon. C. D. Hineine, Mayor of the City of Camden, N. J., says:

"Hoopland's German Bitters.—I have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits.—From inquiry we were persuaded to use it, and in our use we found it specific in its action upon disease of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration is really surprising. It calms and strengthens the nerves, bringing them into a state of repose, making sleep refreshing."

"If this medicine was more generally used we are satisfied there would be less sickness, as from the stomach, liver, and nervous system the great majority of real and imaginary diseases emanate. Have them in a healthy condition, and you can bid defiance to epidemics generally. This extraordinary medicine we would advise our friends who are at all indisposed, to give a trial—it will recommend itself. It should, in fact, be in every family. No other medicine can produce such evidences of merit."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor, is, that there is more of it used in the practice of the regular Physicians of Philadelphia, than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in all bilious diseases—the effect is immediate. They can be administered to female or infant with safety and reliable benefit at any time.

Look well to the marks of the genuine. They have the written signature of C. M. JACKSON upon the wrapper, and his name blown in the bottle, without which they are spurious.
