

DR. TOWNSEND'S COMPOUND EXTRACT OF SARSAPARILLA

Great Spring and Summer Medicine. WONDER AND BLESSING OF THE AGE. The most Extraordinary Medicine in the World. This Extract is put up in Quart Bottles; it is six times cheaper, pleasanter, and more potent than any other medicine.

The following certificate from ALFRED HINE, Esq., Sets forth facts well known in Tunkhannock in relation to the case of his wife. Having been a resident here, and for many years engaged in public business, Esqr. H. is well known in this, and adjoining counties, and no one of all his numerous acquaintances, will doubt, either his word, or the correctness of his information.

My wife had been declining in health for about twelve years, principally from an affection of the lungs, and so far had consumption progressed that tubercles were formed more than four years ago, a condition heretofore said to be incurable.

She had taken much medicine but found little or no relief, and as a last resort, I purchased of you about the first of July last, a bottle of TOWNSEND'S SARSAPARILLA, supposing of course, that it was a "catch penny" concern, but I am free to confess that I was disappointed.

The great beauty and superiority of this Sarsaparilla over all other medicines is, that while it eradicates the disease, it invigorates the body. It is one of the best SPRING AND SUMMER MEDICINES.

For Five Dollars we will send two copies of the Lady's Book, and a set of the plates to each subscriber. For Ten Dollars we will send five copies of the Lady's Book, and a copy to the person sending the Club, and a set of plates to each.

Agreeably to the practice of last year the publisher will issue as good a number each month as he does in January. This is a novel feature in Magazine publishing. During the whole of last year he gave more engravings and more reading matter than any of his contemporaries, and will continue to do so next year.

Our Music. Prepared expressly for us—mostly original, and beautifully printed, has long commanded a decided preference over any other magazine. It is a feature in the Book.

The Literary Character of Godey's Lady Book. With such writers as Miss Leslie, Grace Greenwood, W. G. Simms, Mr. Ellet, T. S. Arthur, Mrs. E. Oakes Smith, Mrs. J. C. Neal, H. T. Tuckerman, H. W. Herbert, &c., the Author of the Widow Bedou, Professor Frost, Bryant, Longfellow, Holmes, and a host of others, must always take the lead in literary merit.

For Three Dollars we will send the Lady's Book, containing more reading than any other monthly, and the Lady's Dollar Newspaper published twice a month, which contains as much reading as any of the 83 periodicals of the day, making three publications in one month.

PAROCHIAL SCHOOL

THE Session of the Presbyterian Church, after much inquiry and many delays, are at length able to announce that they have secured the services of a corps of competent Instructors, and will open (D. V.) Thursday, the 5th of April, a School, in which ample provision is made for the sound and thorough instruction of the pupils committed to their care, viewed not only as intellectual but also as moral and accountable beings.

Faithful, patient and constant efforts will be made to train the children for God, to "bring them up in the nurture and admonition of the Lord." To this end, the Holy Scriptures will be made prominent. Believing moreover that nothing is so well calculated to discipline and improve the mind in all the stages of its development as Theology in its systematic form, which presents for contemplation, subjects ranging from the bare perception of the simplest truths up to the point at which the created mind becomes lost in the infinitude of the Divine Perfections; the Session has chosen the Catechisms drawn up by the Assembly of Divines at Westminster as the text-book which all the scholars without exception will be required to commit to memory at stated periods.

It is respectfully believed that the patrons of the Magazine will find signs of improvement, as well as change. In external appearance is improved. For evidence of this, the reader need only look for himself. In the pictorial department, the Magazine may now fearlessly challenge comparison with any of its rivals.

Raymond's OREGON PILLS. QUESTION: what's your pills good for? Answer: They are good in many cases to leave the Doctors at home in peace, to tend the plow and follow their agricultural pursuits unmolested. Q. Will they cure everything? A. No, but they will relieve as many family complaints as any other pill in these U. S. and are warranted to cure the dysentery if taken according to directions. This medicine is the invention of a celebrated and learned physician living near the Catskill mountains, New York. It will bear its own credit if used enough to feel its effects, and hundreds of respectable names as in the counties of Luzerne and Wyoming could be presented to the public, as a recommend to this pill; but the proprietor would forbear, as it is generally calculated that those who purchase pills small in size, at a cent each, do also pay the printers' bills, &c.

THE OREGON PILLS are of two kinds, one Anti-Dysentery, the other Anti-Bilious, are made by JOHN RAYMOND—and sold by Phelps, Durham, Ostrich, Tunkhannock; Gordonier, Nicholson; A. C. Smith, Easton; H. Elsworth, Sterling, Washington; C. Sturdevant; A. Knapp, Springville; L. Mechopeany; Gulick, Falls;—Swarowitz, D. Austin, Northampton; Benjamin & Gardner, Exeter; H.
