SARTAIN'S MAGAZINE OF LITERATURE AND ART.

Great Inducements
TO SUBSCRIBE FOR THE COMING VOLUME, JANUARY, 1851.

The publishers of Sartain's Magazine announce that they have completed such arrangements for the forthcoming volume as shall make it decidedly superior to all former issues.

The Editorial Department will continue under the control of **PROF. JOHN S. HART**, of Philadelphia, Mrs. C. M. Kirkland, of N. Y., who, besides the constant contributions from their own pens, will continue to secure for it that unrivalled array of writers which has given this Magazine such superiority over all its competitors.

The proprietors are now making arrangements which, when completed, will secure for their work a series of articles or subjects, and of a style and character entirely different from the usual magazine productions.

They will recommend themselves to the reading public for their brilliancy of style, as well as for propriety of the subject chosen.

But in no department of the Magazine will there be such marked improvement as in

The Embellishments for 1851.

In this respect the proprietors possess a peculiar advantage. Mr. John Sartain, Mezzotint Engraver, being one of the first, gives the best fruits of his own skill every month to the Magazine, besides superintending and directing the embellishments. To carry into effect more fully their views on this point, the proprietors have during the last season sent Mr. Samuel Sartain, son of the engraver, to Europe, to secure for the Magazine some of the choicest artistic talent in London and on the continent.

The pictorial embellishments now preparing for Sartain's Magazine are of a character at once strikingly beautiful and novel. In addition to the rich and carefully engraved Mezzotint steel plate engravings, there will be an interesting series of subjects illustrating the

Life of Man and of the Year, combined in the same pictures. The Magazine will also be enriched by a number of Illustrated Prints, which will add greatly to the splendor of the work.

In Line and Stipple engraving the highest talent has been secured. To assure the patrons of the Magazine of the perfection that may be expected in this department, we need only state that the celebrated engraver, FINDEN, has engaged to execute a number of superb engravings on steel, expressly for this work, in a style of unsurpassed beauty.

NEW FEATURE.
Besides the foregoing splendid series of illustrations, we have prepared for the year 1851 a series of illustrated articles to be called—

Scenes in the Life and Teachings of our Saviour.

These Engravings are not mere fanciful pictures taken from any quarter and called after Scriptural names; but are prepared with great historical fidelity from a careful study of the recent explanations of Palestine, as well as the more ancient traditions regarding the Holy Land. The engravings are to be accompanied with appropriate explanations and comments by the Rev. John Todd, D. D., and original illustrative Poems by Clergymen and others of different religious denominations.

MYERS' LIQUID CURE PILLS,
A positive & never-failing Remedy for

Whether Internal, External, Blind or Bleeding; Scrofula, White Swellings, Ulcers and Ulcerated Sore Throat, Cancer Sore Mouth, Rheumatism, Cutaneous Diseases,

Mercurial Affections, &c.
Also for scrofula, humors, eruptions, &c. We feel justified in proclaiming the fact to the world that of all medicines ever brought before the public, MYERS' PILLS have ever been more beneficial to all the humanity than MYERS' LIQUID CURE. We know that this is saying a great deal, but if we were to write volumes, we could not say too much in praise of its health-restoring, life-preserving Remedy. Hundreds, nay thousands, bless the happy hour when first they were made acquainted with its transcendent virtues; and our present purpose is to inform other thousands, how and where they may obtain that relief which they perhaps have long sought for in vain.

The superior excellence of this preparation over all other medicines for the speedy and permanent cure of PILES, is well known to all who have tested it. It has been proved in thousands of instances, and has NEVER FAILED to cure the most obstinate cases, and we are confident it NEVER WILL FAIL if used a proper length of time according to directions. As a proof of our entire confidence in its efficacy, we assure all purchasers that if, after a proprietor's proper medical, the money paid for it will be returned.

The "Liquid Cure" is an effectual remedy for Ringworms, Biles, Pimples, Barber's Itch, Frested Limbs, Chinitans, Salt Rheum, Mosquito Bites, Stings of poisonous insects, &c., and for cutaneous diseases of every description.

It is both safe and effectual for **RHEUMATISM**, giving immediate and permanent relief. No preparation now before the public can surpass the excellence of the Liquid Cure for scrofula, humors, cuts, sprains, bruises, swellings, &c.

Its effects are as follows:
Real Pain Killers are Magical.
"Very family in the land should provide themselves with this invaluable preparation, the cheapness of which places it within the reach of all."

Full directions accompany each bottle. Pamphlets, containing copies of certificates from those who have tested the Liquid Cure, may be had gratis of our authorizing agents.

"Myers' Liquid Cure" is prepared only by **J. O. J. & Co.,** 21 Spruce-st., New York.

McALLISTER'S ALL-HEALING OINTMENT;
OR THE WORLD'S SALVE,

Contains no Mercury or other Mineral. From the "Reading Eagle."

There was never, perhaps, a medicine brought before the public, that has in so short a time, won such a reputation as McALLISTER'S ALL-HEALING OINTMENT. It has cured every person that has made trial of it, speaks warmly in its praise. It has been cured by it of the most painful rheumatism; another of the piles; a third of a troublesome pain in the side; a fourth of a swelling in the limbs, &c. It does not give immediate relief in every case, it can never do injury, being applied outwardly. As another evidence of the wonderful healing power possessed by this salve, we subjoin the following certificate, from a respectable citizen of Maiden Creek township, in this county.

Maiden Creek, March 30, 48.
Misses Ritter & Co.—I desire to inform you that I was entirely cured of a severe pain in the back, by the use of McALLISTER'S All-Healing Salve, which I purchased from you. I suffered with it about twenty years, and at night was unable to sleep during that time I tried various remedies, which were prescribed to me by physicians, and other persons, without receiving any relief, and at last made trial of this salve, with a result favorable beyond expectation. I am now entirely free from the pain, and enjoy at night a sweet and peaceful sleep. I have also used the Salve, for other complaints, with similar, happy results. Your friend,
JOHN GOLLENBAUGH.

For Tumors, Ulcers, and all kinds of Sores, it has no equal.
BURNS.—It is one of the best things in the world for Burns. (See directions for using it.)

PILES.—Thousands are yearly cured by this Ointment. It never fails giving relief for the Piles.

Around the box are directions for using McALLISTER'S Ointment for Scrofula, Erysipelas, Tetter, Itch, Scald Head, Sore Eyes, Sore Throat, Nervous Affections, Pains, Head-Aches, Deafness, Eruptions, Burns, Corns, Sore Lips, Pimples, Ringworms, Swelled or Broken Breasts, Fish-Bite, Aque in the Year, &c.

If Mother and Nurse know its value, it is a "Swollen" or "Sore Breast," they would always apply it. In such cases, it is used, and according to the directions around each box, it gives relief in a very few hours.

This Ointment is good for any part of the body or limbs when inflamed. In cases it should be applied often.

CAUTION.—No Ointment will be genuine unless the name of James McAllister is written with a pen over every letter.

Price Twenty-five cents a Box.
For sale by Agents in all the principal cities, and towns in the United States.

CAUTION EXTRA.

A man by the name of J. E. CHAPP has endeavored to pass off a cheap imitation of the original Sarsaparilla, which they call Dr. Townsend's Sarsaparilla, denouncing it as GENUINE, Original, &c. This is a most wicked and unchristianlike attempt to injure the health of the people, and to ruin the name of the original. I have sold the original Sarsaparilla for many years. I will give S. P. Townsend \$100 if he will produce one single, genuine copy of the original Sarsaparilla, which he has not done. I will give the GENUINE ORIGINAL, OLD Dr. Jacob Townsend's Sarsaparilla, having on the wrapper the name of S. P. Townsend, and his signature across the bottom.

JACOB TOWNSEND.
Principal Office, 192 Nassau-st., New York City.

OLD DOCTOR TOWNSEND'S SARSAPARILLA.

Old Dr. Townsend is now about 70 years of age, and has long been known as the AUTHOR and DISCOVERER of the GENUINE ORIGINAL "TOWNSEND'S SARSAPARILLA." Being proud of his reputation, he has taken the precaution to have his name put on every bottle of the original Sarsaparilla, and to have the name of S. P. Townsend written on the wrapper, so that the public may be enabled to distinguish the original from any cheap imitation. The original Sarsaparilla is now kept out of market, and the sales circumscribed to those only who had good and true knowledge of the original. It has reached the ears of many, nevertheless, as those persons who had been healed of sore throats, and saved from death, proclaimed its excellence and wonderful powers.

HEALING POWER.
Knowing many years ago, that he had by his skill, science and experience, derived an article which would be of incalculable advantage to mankind, when the means would be furnished to bring it into universal notice, when its inestimable virtues would be known and appreciated. This time has come, the means are supplied, and the article is now ready for the use of the afflicted.

Grand and unequalled Preparation is manufactured on the largest scale, and is called for throughout the length and breadth of the country. It is a most excellent medicine for the cure of all the diseases of the blood, and is superior to all other medicines of the kind.

It is prepared by S. P. Townsend, Jr., it improves with age, and is the best of all medicines, because it is prepared on scientific principles by a scientific man. The highest knowledge of Chemistry and the latest discoveries in the properties of Sarsaparilla, are incorporated in the manufacture of the Old Dr. Sarsaparilla. The Sarsaparilla root, it is well known to medical men, contains many medicinal properties, and is the basis of all the medicines of the kind. It is prepared by S. P.
