"DIDST ever feel, my love," said he-The twain 'neath starbeams strolling—
"A thrill no tongue can e'er express,
And yet 'tis vain controlling,
A something that o'erwhelms the soul
And quite o'ercomes the senses,
A ceaseless throb that through each vein
Lie in the proceed discusses 2

An quite o'recomes the senses,
A ceaseless throb that through each ve
Its influences dispenses?
Can'st tell what it is, my own?"
Then fondly looked he at her;
"In course you goose," she tartly said,
"It's corns, that's what's the matter."

THE Cleveland Herald stated that THE Cleveland Herald stated that there are only twenty-nine United States soldiers in Georgia. Whereupon the Atlanta Constitution in a retort courteous, informs it that there are nearly that number in one regimental brass band alone which is now in opration in that State. But what have brass bands to do with it? It is not a question of brass bands at the polls, is it? We thought it was bayonets. If you will clearly convince us that it is a part of the Radical plot to intimidate lawful voters by stationing brass bands at the polls we will take back every word we have said and join the Confederacy.

WHEN out buying Gents' Furnishing Goods drop in at Charles R. Grieb's,

THE census enumerators next year are to do their work in June, and the pay is not to exceed \$100 per month, or \$4 per day. Applicants for the position of enumerator will observe that they cannot afford to pay a very high price for the position.

TERRONT, the champion bicycle rider of France, covered the amazing distance of 1,350 miles in a six days' race of eighteen hours' rusning time each day, a total of 104 hours; which is at the rate of about thirteen and one-third miles per hour.

George Krug drove another herd of fine steers into town last Saturday evening. They had been fattening at the Byerly and Barr farms in the southern part of the county, and are in the best condition possible. With such exterprising butchers as the Messrs. Krug in town, we are always sure of having good meats,

IN a northern township, a chimney snake fell into a kettle of apple butter and was not discovered until the last ladie full was taken out. Of course, the butter was lost except what had been eaten for supper.

JAS. DEER and David Critchlow, of Penn township, took from the wagon, threshed with fails and cleaned up entire, in one day last week, 73} bushels of buckwheat. If there are any other two men in the county who can beat this, we want to hear from them.

THE New York city dog pound was closed lately, the last installment of doomed dogs, 200 in number, being drowned. The whole number killed during the season was 5,400. The contractor is said to have realized a fine profit on the dog skins which he sold to glove makers.

It coests about a heart at the same and part of the State are now in full operation, the winter terms having commenced on the ist of September, during which month much reorganization, consolidation and other detail work was done under the immediate direction of the Superintendent, so that the schools are now in as successful progress as they have ever been since there organization. Under the reduced appropriation of the last Legislature, the Superintendent now is compelled to cut off all applications for entries to these schools, the estimates for this and the next years requiring all the money for the pupils now on the rolls of the schools.
