MEETING TO HEAR GROW.

The Republican meeting in the Court Honse last Friday evening, to hear Hon. Galusha A. Grow, was well attended. Gen. Purviance was called to preside and Gen. Eckley and Hon. James Mitchell chosen Vice Presidents, with the editors of the Republican press of this place as Secretaries.

Mr. Purviance introduced Mr. Grow to the meeting in a few well chosen remarks, who then proceeded to address our people upon the issues of the present campaign. The speech of Mr. Grow was listened to with the greatest attention and interest. His review of the great work and history of the the meeting adjourned.

POSITION OF CONGRESS QUES-TION.

The meeting of the Republican State Committee at Franklin, Venango county, on last Thursday, 9th inst., was an event of more than usual occurrence. It was the first meeting of that Committee in the Western part of the State for some time past. Its object was not to assume the power to hear or tion of them. And inasmuch as there were difficulties of an unusual char- the uniforms, we adjourned to meet acter existing, it invited all parties interested to be present there at its meeting. Our Congressional district being among those in which there was a dispute existing as to its candidate, the persons interested in this, and Mercer and Crawford counties, were invited and went to the meeting. The trouble in our district therefore came before the committee for its advice, or Mr. McJunkin of this county, and Mr Miller of Mercer, and their friends Mr. Newton Black, of this place was present, a proposition for settlement matter and was finally agreed upon. This proposition was, for each, Mr. referee, and they two to choose a third, the mistake of Mr. Wallace being that if they possibly could do so, and the he bases his hopes on a false founda- We would then say to the farmers said three to compose a board to hear The Dispatch has been taking entirely too much interest in this matter.

Shrewdness and Ability.

We are glad to know that the Fair Catholic vote in the State, and of old publican meeting in Town Hall on Saturday evening, August 28th, addressed by Gen. Eckley and R. P. dressed by Gen. Eckley and R. P. ever held in this county. The farmers ever held in this county. The farmers of our county, seem at last to have become alive to the importance of these anual meetings. The agricultural Fair tions therefore become interesting. In has become one of the institutions of our country, and there is no agriculabout 32,000 majority; this included tural community anywhere that is thriv- the "independent" vote. In 1879 the ing and prosperous which has not its united Democratic majority was about agricultural Fair, and they are now 15,000; this included the "independregarded not so much as a means of ent vote, and that of many Republi paying a premium to the man who has the best horses, or the best cattle, or This year the vote that was not cast the best farm products, as a medium last year will come out, and that is through which the farmer may acquaint himself with the latest improvetial vote will be cast, and that will be ments in his business and of letting largely Republican. The whole "inde pendent" vote will be Republican. The whether of stock or farm products, protesting Republicans of last year wil that are worth buying. The best of vote for Garfield, and there are so everything raised on a farm, whether thousands of Democrats who will hesiof stock or products, are brought to the tate to acknowledge Mr. John Kelly as trouble in this district; believing, as he therefore be nominated by the board or gard and carried and placed on exhibition. So supreme "boss." If to this is added the universal disinclination to change, and or caps and capes as well; it was that the man who wishes to improve we do, that all trouble is now over; of referees that meet at Franklin toyet there is one matter that cannot be day we hope to be able to give him that we get the fall outfit. The President of farming, can do so intelligently, and the distrust of the Democratic party farming, can do so intelligently, and passed over and should not be permitted our full and hearty support. We still dent then appointed a committee of four to take names and subscriptions when you know where to get what you want which resulted well: they having 53 awakened, it is plain that the probabilities of success in New York are information. The Eagle of this place, is the better man for the position of pames with enough subscription to with the Republicans, who, for this names with enough subscription to who raise the best horses will be at the furnish the outfit complete. It was Fair. If you wish to improve your election, have no internal difference then growing late and it was thought cattle, the men who raise the best catwhatever. - Harper's Weekly. best to adjourn to meet on Saturday evening, the 11th, inst. On the opening of this meeting one of the members few weeks yet for an official promulgaers in farm implements will all be there and they will all have their animals tion of the population of the country and implements, &c on exhibition, so by the Census Bureau as ascertained that you can judge of the merits of by the census of 1880. But the subeach and make your selection intelli- ject is of so much interest that we is gently. But perhaps the greatest bensert, a table, partly official and partly efit to be derived from these meetings estimated, which will not vary materiis the interest they awaken among ally from the official figures. farmers in their own business by comble includes all the States and all the paring results one with the other in Territories except Alaska, New Mexiompetition for the premiums. If a co, Washington and Wyoming. The man believing his animal or article is approximate result is as follows: of superior quality, enters for competition and finds on comparison that another of the same class is superior to his, then his ambition is aroused to produce a better article or animal next year. He is repaid ten fold for his on next Saturday night, at which trouble and loss of premiun in the first iime we expect to turn out in our new instance. It is only by comparison of dress and show off to the best advanresults obtained by intercourse with those engaged in the same pursuits, that we can make improvements in any direction. The world is continually advancing. Everything is constantly undergoing a change; breeds of

animals run out : varieties of grain or vegatables deteriorate; the conditions of the soil changes and if we continue to plod on in the old ruts doing things the same way year after year we will soon find ourselves far in the rear. As we said before, we are glad to see our farmers are becoming interested in these meetings, and if properly conducted, they cannot help but be pro ductive of much good in the way of developing and improving the agricultural interests of our county, and of awakening among the farmers a spirit of improvement which shall result in placing our county as an agricultural county among the first in the State. scheme of rebels who are floundering by all means encourage and give your.
