The Monetary Conference.

Paris, April 19.—The international Monetary Conference was opened this afternoon by Barthelemy St. Hilaire, Minister of Foreign Affairs, who wel-

comed the foreign delegates, and said if the conference did not achieve immedi-

ate success, it would, at least, have

of the conference. Magnin, in an opening address, reviewed the different

phases of the question and showed the inconveniences which the system established in 1867, of a gold standard

As regarded the objects of present con

iberations would show that internat

ional bi-metallism was the only system capable of restoring monetary regularity in all parts of the world. It was

not a question of discussing a treaty by

which some would gain and others lose. It was simple a question of harmony in good faith, and with a knowledge of the subject, decisions equally favorable to all parties. He concluded as follows: 'We in no wise claim to

impose our opinions on others. All systems can be put forward and be

freely discussed.' The conference then proceeded with the formal business of

organization and appointed a committee

to report at the next sitting of the con-

rew of the steamer to assist in enforcquarantine regulations For a the scene resembled a pandemoni-Men shouted, women screamed,

and to use an expression of one of the spectators, 'tne atmosphere was blue with profane language' The doctor and crew were bustled about pretty lively by the Poles and Russians, and

the women seemed inclined to join in the melee. One woman told the offi-

cers that rather than have her two children vaccinated she would knock

out the brains of the doctor. The crew

of the quarantine steamer were then called upon to assist. The combined

crews and doctors renewed the attack

and every person who would not sub-mit to vaccination on the steamer was taken by force on board the quarantine

boat and conveyed to Dix Island, where they will be kept till all are vaccinated.

Is a compound of the virtues of sarsaparila, stillingia, mandrake, yellow dock, with the iodide of potash and iron, all powerful blood-making, blood-cleansing, and lifessistaining elements. It is the purest, safest, and most effectual alterative medicine known or available to the public. The sciences of medicine and chemistry have never produced so valuable a remedy, nor one sepotent to cure all diseases resulting from impure blood. It cures Serofula and all serofulous diseases, Eryslpelas, Rose, or St Anthony's Fire, Pimples and Face-grubs, Pustules, Blotches. Boils, Tumors, Tetter, Humors. Salt Rheum, Scald-head, Ring-worm. Ulcers, Sores, Rheumatism, Mercurial Disease, Neuralgia, Female Weaknesses and Irregularities, Jaundice. Affections of the Liver, Dyspepsia. Emaciation, and General Debility.

By its seart-hing and cleansing qualities, which Emaciation, and General Debrity.

By its searching and cleansing qualities it purges out the foul corruptions which contaminate the blood and cause debaugment and decay. It stimulates and enliven the vital functions, promotes energy asstrength, restores and preserves health, aminfuses new life and vigor throughout the whole system. No sufferer from any disease which arises from impurity of the blood need despair who will give AVER' SARSAPARILLA a fair trial.

It is folly to experiment with the numer

It is folly to experiment with the numerous low-priced mixtures, of cheap materials and without medicinal virtues, offered a blood-purifiers, while disease becomes morismly seated. Aven's Sansaparantla is medicine of such concentrated curativ power, that it is by far the best, cheapes and most reliable blood-purifier known Physicians know its composition, and precibe it. It has been widely used for forty years, and has won the unqualified confidence of millions whom it has beenfied.
