A duel was lately fought in Texas between Alexander Shott and John Nott. It was rumored that Nott was shot and Shott was not. (If so, it was better to be Shott than Nott.) But it was afterwards proved that the shot Shott shot at Nott shot Shott by accident, and the shot Nott shot at Shott shot past, and so shot him not. Thus the affair resolved itself into its original elements, and Shott was shot and Nott was not.

Mr. Dr. Edson is now in Cleveland, where she was graduated at a Homeopathic College in 1855. She said to a reporter, who asked her how she felt, 'The President realized that he was going to die. Oh, yes! The second day after he was shot he said to me, 'Well, it's all over; it's my business to be ready for death, and I have always been ready. I had work before me, but after all perhaps it is better that it is laid down where it is—unfinished. It was a grand and trying work, and I am relieved of it.'
