County Committee on the question, who was then of the opinion that he would not call the present committee to meet before the first of April. Some think this would be a little too late a period to arrange all questions satisfactorily this year. The chairman, we 28 instead of 27. This will require presume, would be governed by the this State to be redistricted into new districts. Unless there is a special sesfeelings of the party on the subject, and as we have had frequent inquiries sion of the Legislature this redistrictmade to us on the subject, and find ing cannot be done until at next winter's regular session. Considering the that the general opinion is that a counnature of the work, and the time and ty convention would be the most propcare that it is necessary to bestow uper mode to select the delegates to the State Convention of this year, we on it, some are of the opinion that it could be best done at a special session have in this manner again referred to of the Legislature, and therefore favor the matter. And in doing so we would state that it is not out of any the elections for Congressmen this distrust of the present committee, year will take place in the districts as which is composed of gentlemen and at present formed, and the additional fair men, but merely in obedience to one obtained by the new apportionthe general opinion that the views of ment be elected at large, being by the the great mass of the party can only be obtained through a new primary voters of the whole State. and convention, fresh from the people A Frightful Explosion. This view of the question is properly set forth in the below from the Mercer papers, and with this we submit the matter to the Republican voters of the county for any expression of their views on the subject they may see proper to make.

The call for a meeting of the Re-publican County Committee, to be held on Monday, March 13th, is published elsewhere in our columns. A full atly desired, and every district should be fepresented. Two important ques-tions will be brought before the committee. These are the fixing of a day mittee. These are the fixing of a day for the meeting of our regular county convention, and the question as to how the delegates from this county to the coming State covention shall be se-lected. We are of the opinion that the regular county convention for the nom-ination of candidates for the various offices to be filled in November should be called to meet during the first week obtained now A part of the mansion has been used be called to meet during the first week in May, and that to that body the se-

uring explosive commodities. The firelection of delegates to the State con-vention should be left. This is, it is men after being assured that there were no explosives in the place, went to work, and after playing on the flames about half an hour a terrific extrue, contrary to the usual custom in this county, but a departure from it at this time can do no harm, and will plosion occurred. Bodies of men were be more satisfactory to the party. The date suggested is somewhat earlier plosion occurred. Donies of men were thrown in every direction; the air was filled with rubbish, and the ground was covered with victims, some killed, some seriously injured and others badly hurt. The dead bodies of men lay colled on the ground while than we have been holding our conventions, but we feel sure that as good a ticket can be selected at that time as one a month or six months later. To men lay coiled on the ground, while leave the election of delegates to the others labored in the agonies of death. regular county convention will give A number, writhing in their blood, moaned and groaned piteously for help. Many lay insensible of their surround-ings, and others bruised and bleeding ample time for full discussion of the issues involved, and places their selection into the hands of men fresh from the people, and who know what their wishes and opinions are. By pursu-ing this method the voice of the people will determine this important question, which is the desire of every same per-son in Mercer county and in Pennsyl-vania.—Mercer Dispatch, Feb. 17.

In another column will be found the ating distress. Houses in the vicinity United States, as it shall deem proper being dragged into useless and torturchairman's call for a county committee meeting to be held on March 13th.
