Mesra, Editors:—
The above is a good likeness of Mrs. Lydia E. Phiham, of Lynn, Mass., who above all other human beings may be truthfully called the "Dear Friend of Woman," me of her correspondents love to cal lously devoted to her work, which is t

as some of her correspondents love to call her. She is zealously devoted to her work, which is the outcome of a life-study, and is obliged to keep six lady assistants, to help her answer the large correspondence which daily pours in upon her, each bearing its special burden of suffering, or joy, at release from it. Her Vegetable Compound is a medicine for good and not evil purposes. I have personally investigated it and am satisfied of the truth of this.

On account of its proven merits, it is recommended and prescribed by the best physicians in the country. One says: "It works like a charm and saves much pain. It will cure entirely the worst form of falling of the uterus, Leucourhea, Irregular and painful Menstruation, all Ovarian Troubles, Inflammation and Ulceration, Floodings, all bisplacements and the consequent spinal weakness, and is especially adapted to the Change of Life."

It permeates every portion of the system, and gives new life and vigor. It removes faintness, flatulency, destroys all craving for stimulants, and relieves weakness of the stomach. It cures Bloating, Headaches, Nervous Prostration, General Debility, Steeplessness, Depression and Indigestion. That feeling of bearing down, causing pain, weight and backache, is always permanently cured by its use. It will at all times, and under all circumstances, act in harmony with the law that governs the female system.

It costs only \$1, per bottle or six for \$5, and is sold by druggists. Any advice required as to special cases, and the names of many who have been restored to perfect health by the use of the Vegetable Compound, can be obtained by addressing Mrs. P., with stamp for reply, at her home in Lynn, Mass.

For Kidney Complaint of either sex this compound is unsurpassed as abundant testimonials show.

"Mrs. Pinkham's Liver Pills," says one writer, "are the best in the world for the cure of Constipation, Billousness and Torpidity of the liver. Her Blood Purifier works wonders in its special line and bids fair to equal the Compound in its popularity.

All must respect her as an Angel of Mercy whose sole ambition is to do good to others.

A REMARKABLE CURE IN A SHORT TIME. A TRUE CONFESSION.

I suffered for years with Indigestion, and lately had a feeling as of some hard substance in my stomach. I could not eat, sleep or work. I was under the care of a regular physician for three months without relte. I then employed two physicians in Philadelphia. To the one I paid store for the store of the care of a regular physician for three benefit whatever.

Some friend recommended Aromanna I tried if, and after taking two bottles, I was greatly relieved, the pain in my stomach ceased, my appetite and sleep came back and I could work. This was a year ago last October. Since that time I am taking every week a tablespoonful of the Aromanna. I am hardy and healthy and as strong as ever. My wife and daughter, who were suffering with Dyspepsia, used the same meucine, and were entirely cured.

I have made this statement for the benefit of many sufferers. I am living on Mr. Win. Knight's farm near Woodbury, where I can be found at any time.
