A TRUE CONFESSION.

I suffered for years with Indigestion, and lately had a feeling as of some hard substance in my stomach. I could not eat, sleep or work. I was ander the care of a regular physician for three months without relief. I then employed two physicians in Philadelphia. To the one I paid lib for advice and medicine; to the other I paid at lifferent times the amount of \$84 without any senefit whatever. ifferent times the amount of \$84 without any benefit whatever.

Some friend recommended Aromanna I tried it, and after taking two bottles, I was greatly relieved, the pain in my stomach ceased, my appetite and sleep came back and I could work. This was a year ago last October. Since that time I am taking every week a tablespoonful of the Aromanna. I am hardy and healthy and as strong as ever. My wife and daughter, who were suffering with Dyspepsia, used the same medicine, and were entirely cured.

I have made this statement for the benefit of many sufferers. I am living on Mr. Wm. Knight's farm near Woodbury, where I can be found at any time.
