A Popular Movement. A popular movement looking toward he permanent withdrawal of both the Republican tickets and the substitution of a new ticket in their places, is reported in Philadelphia. It is doubtful whether at this late hour, any such steps could be successful. Such a result would undoubtedly meet with popular approval and the ticket thus selected would be triumphantly elected. But the political leaders are not over anxious to please the people. Above everything else a set of men must be chosen satisfactory to them. A REMARKABLE CURE IN A SHORT TIME.

I suffered for years with Indigestion, and lately had a feeling as of some hard substance in my stomach. I could not eat, sleep or work. I was under the care of a regular physician for three months without relief. I then employed two physicians in Philadelphia. To the one I paid at different times the amount of \$84 without any benefit whatever.

Some friend recommended Aromanna I tried It, and after taking two bottles, I was greatly relieved, the pain in my stomach ceased, my appetite and sleep came back and I could work. This was a year ago lest October. Since that time I am taking every week a tablespoonful of the Aromanna. I am hardy and healthy and as strong as ever. My wife and daughter, who were suffering with Dyspepsia, used the same medicine, and were entirely cured.

I have made this statement for the benefit of many sufferers. I am living on Mr. Wm. Knight's farm near Woodbury, where I can be found at any time.
