Car loads, of what we were told was the best of coke, are daily run from that point. These works alone are worth a visit to see. From a drift in the hill the coal is run to a hopper where it is ground or smashed into small pieces. from this machine it descends to From this it is again carried up by machinery to a receiving tank, and from that dropped into cars and conveyed to the ovens where it is coked. All this process it goes through in a short space of time. The finest coke is now made at Coaltown. It is said to be superior to the heretofore famous Connellsville coke. This comes from the superior quality of the coal found

Col. Bayne Upheld. On Saturday last the Republicans of Allegheny City held their primaries, for the purpose, among others, of nominating a candidate for Congress in that, the 23rd district. Hon.
