Positively Restores the Hearing, and is the only Absolute Cure for Deafness Known.

This Oil is abstracted from peculiar specie of small wirths strate, carght in the Yellow sea, known as Carcharodon Rondeleth Every Chi-nese fisherman knows it. Its virtues as a re-storative of hearing were discovered by a Badd-hist Priest abont the year 1410. Its cures were so numerous and many so seemingly miracu-lous, that the remedy was officially proclaimed over the entire Empire. Its use became so uni-versal that for over 200 years no destness has existed among the Chinese people. Sent, Table Linens and Towels. Lace Curtains and Cretonnes.
