Justices of the Peace have a right on their own personal view to cause the arrest of any person violating the Sabbath or indulging in the use of any profane language.

Don Cameron's anxiety to relieve the people of all trouble in making nominations is shown again by a new witness. We clip the following from the Times:

Senator Stewart now comes to the front and throws out a challenge to Senator Cameron on the issue of Cameron's slating for Beaver and the State ticket.

At a meeting of the Congressional Association, at Brooklyn, lately, the Rev. Ward Beecher spoke for two hours and a half, giving his reasons for differing with the churches represented there in matters of faith.

A Correction Needed.

The Pittsburgh Commercial Gazette is quite in error when it says that Col. John M. Sullivan is still a citizen of this county.

We acknowledge the receipt of as fine a bouquet of dahlias flowers as it has ever been our pleasure to see. The donor, a daughter of Mr. Jacob Brown, of Clay township, has been thinking and well wishes for her present.

WILTERS, the Georgia prophet, announced last week that Saturday last the comet now visiting us, would on that day hurl itself into the sun, whereupon darkness for seventy-two hours would follow, and other dire consequences inevitably result.

The County Committee.

The Republican County Committee had another meeting last Wednesday afternoon. We need not go into any statement of the reasons that governed some in desiring another meeting soon after the one of the week before.

After assembling, township and borough sub-committees were appointed, and other business transacted looking to the interests of the county ticket.

Will the administration heed the warning? Probably not. The President has a chance to see now what his course in Pennsylvania and New York is doing for the party in the Nation.

The following is a list of the vigilance committees for the several townships in this county, meeting or appointed by the Chairman of the Vigilance Committee.

Beecher Withdraws.

At a meeting of the Congressional Association, at Brooklyn, lately, the Rev. Ward Beecher spoke for two hours and a half, giving his reasons for differing with the churches represented there in matters of faith.

Nice Present.

We acknowledge the receipt of as fine a bouquet of dahlias flowers as it has ever been our pleasure to see. The donor, a daughter of Mr. Jacob Brown, of Clay township, has been thinking and well wishes for her present.

Ohio Election.

At the election last Tuesday week the State of Ohio was carried by the Democrats, the majority for that State ticket being in the neighborhood of 20,000.

A LESSON FOR THE LEADERS.

The full Republican vote of Ohio is never polled unless the hearts of the masses are enlisted in the work and their enthusiasm is aroused.

Will the administration heed the warning? Probably not. The President has a chance to see now what his course in Pennsylvania and New York is doing for the party in the Nation.

Vigilance Committees.

The following is a list of the vigilance committees for the several townships in this county, meeting or appointed by the Chairman of the Vigilance Committee.

THE STATE SENATE.

Col. John M. Sullivan continues to be a Candidate in the Allegheny City (42d) District.

By the following letter of acceptance it will be seen that Col. John M. Sullivan, formerly of this county, has acquiesced with the urgent demand of a very large number of the Republicans of Allegheny city to run as a citizen's candidate for the State Senate.

MR. SULLIVAN'S ACCEPTANCE. Allegheny, Oct. 11, 1882. Messrs. John Walker, C. W. Robb, Henry Kleber, William Stanton, R. S. Smith, and others:
