A Man With Fifty Children.
From Atlanta Constitution,

Mr. Basingame, a prominent merchant from Social Circle, Georgia, reports a remarkable case of vitality, which he says is well known to the people of his county. Near Social Circle resides a colored man named Harry Lackey, who has probably more decendants than any other living man. He has been in the county so long that his own testimony on this this question is corroborated by his neighbors. Harry is 90 years old, hale and hearty, one of the most industrious and highly respected negroes in the county. The other day he took unto himself a third wife, Susan Phillips, aged 61. He already has 50 children whom he acknowledges and who call him by various terms of filial affection. Several of his children have died. In the presence of some gentlemen the the other day, he named over more than 300 of his grand children, and said there were others whom he could not then remember. One of his sons has thirty living children. Several of his sons count up more than a dozen children each.

The old man is proud of his record, and talks freely about it whenever questioned. He has always been an organized Democrat, and is the only negro in his miltia district who votes in the Democratic primary elections. He says he don't think his work is finished yet, and has no idea of suspending business soon.

"It Was Only an Accident."

A fish-hook in your flesh, a scissors blade in your left thumb, a sprained ankle from a misstep on a loose stone, a bruised shin by a slip from a car platform, a cut on your check by a clumsy barber's razor, a contusion on your elbow by poking it through a street car window, a swelling on your nose from running against an open door in the dark—these are likely to happen without a moments notice. To be ready for them, have a bottle of Perry Davis's Pain Killer ready.

General Hazen states the fact, not generally known, that stamped envelops, when spoiled by misdirection or other causes, can be exchanged for postage stamps of the same denomination at the nearest postoffice.

Sparkling Eyes.

Rosy cheeks and clear complexion only accompany good health. Parker's Ginger Tonic better than anything makes pure, rich blood and brings health, joyous spirits, strength and beauty. Ladies try it.—*Bazaar.*

When a base ball player can command and secure a salary of $3,000 for six months' work averaging one hour a day, it is time for railway presidents and even bank cashiers to go into training for that profession.

Brain and Nerve.

Wells' Health Renewer, greatest remedy on earth for impotence, leanness, sexual debility, &c. $1. at druggists. Prepaid by express, $1.25, 6 for $5. E. S. Wells, Jersey City, N. J.

"What are the nine muses, pa?" asked a little boy who was reading mythological lore in the lower class. "It is when the home 'nine' is beaten in a game of base-ball, then the nine muses over it," was the reply.

"Ladies' Tonic."

The GREAT FEMALE REMEDY is prepared by the WOMEN'S MEDICAL INSTITUTE OF BUFFALO, N. Y., and is their favorite prescription for ladies who are suffering from any weakness or complaints common to the sex. It is sold by druggists at $1 per bottle. Ladies can obtain advice FREE. Send stamp for names of those who been CURED.

A red granite monument has just been completed near Salt Lake, on the Pacific Railroad, in honor of Oakes Ames. It cost about $90,000, and towers sixty feet above the summit of a lofty hill.

A Delicious Appetizer.

That ensures digestion and enjoyment of food; a tonic that brings strength to the weak and rest to the nervous; a harmless diarrhœa cure that don't constipate—just what every family needs—Parker's Ginger Tonic.

Speaking of the fact that paper coffins are being introduced, the Altoona *Times* fears that "after awhile when a man dies they will just wrap him up in an old newspaper and chuck him into the ground."

Catarrh of the Bladder.

Stinging, smarting, irritation of the urinary passages, diseased discharges, cured by Buchupaiba. $1. at druggists. Prepaid by express, $125, 6 for $5. E. S. Wells, Jersey City, N. J.

Said a pompous individual to young hopeful, whose parents he was visiting: "Little folks should be seen and not heard." The small boy came to the surface with: "Yes, and big folks, too when they don't know any more than you do. Pa says you havn't got sense enough to know when to go home." Sensation.

American Institute on Pure Grape Wine.

The President and a Committee from the farmer's Club, of the American Institute, have visited Speer's Vineyards and Wine Cellars, and they report that the Port Grape Wine of Alfred Speer, of Passaic, New Jersey, is the most reliable wine to be obtained. It is now being used by physicians who are the most choice in the selection of wines for convalescent patients. The principal hospitals in New York have adopted this wine. It is for sale by D. H. Waller

The young people of Forest county combine profit with pleasure at their parties. They meet at some farm and the young ladies pick the potatoes while the gentlemen dig them, rotten potatoes counting the same as a red ear at huskin.'

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India Missionary the formula of a simple vegetable remedy for the speedy and permanent cure for Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Precious Hope—Peruna

One morning while he (her husband) was holding her up in order that she could breath more easily, after having struggled with a bad spell of coughing, he made the remark that he did not believe she would ever get well when she, in her weakness, said: "Yes, I will, if you bring Dr. Hartman." The doctor was brought. He prescribed a teaspoonful of Peruna every hour. She began to improve from the first dose she took. She told me to-day she has never felt better in her life than she does now, and that she cannot say too much for Peruna.

A. J. MILLER.

Her husband writes: "South Chicago, Ill., Dec. 19, 1881: I have a living witness of the virtue of Peruna in my wife, who was saved from death by it. I certify that every word on page 30 in Dr. Hartman's book on the "Ills of Life" is true in every particular T. S. EBERLINE

"Female complaints" are the result of impure blood. Use "Dr. Lindsey's Blood Searcher." Sure cure.

Because a student of Bowdoin College recovered $2,700 damages for injuries inflicted by hazing, it is claimed that practice will close; but it won't. The college young man, particularly the American college young man, will not be discouraged by any such trifle as the above fine. His fun may come high, but he must have it.

A beacon in distress is "Dr. Sellers' Cough Syrup," the most efficacious remedy for coughs, colds and hooping cough. Price 25c.

The London Echo, which has been a most active sympathizer with Arabi Pasha, suggests the following lines as applicable to him:

Rebel or Patriot? Well, heads or tails!
Define the terms, and this is how it reads:
A Rebel is—a patriot who fails;
A patriot is—a Rebel who succeeds.

***"Middle measures are often but middling measures." There are no "middlings" about Kidney-Wort. It is the most thoroughly refined "flower" of medicine. It knows no half-way measures, but radically uproots all diseases of the kidneys, liver and bowels. It overthrows piles, abolishes constipation and treats the system so gently and soothingly as to prove its true kinship to nature and all its praises. It is prepared in both liquid and dry form.

Burlington, Vt., Jan. 25, 1882

I have used Downs' Elixir exclusively for myself and in my family for a score or more of years, and always keep it with me. WARREN GIBBS, President Vermont Life Ins. Co.

Fairhaven, Vt., Jan. 1, 1882.

I prefer Downs' Elixer to any other cough remedy for children, simply on account of its tonic and expectorant qualities. Respectfully, GEO. H. HARRIS.

A few evenings ago Judge "Jerry" Black presided at a political meeting at York, Pa. On taking the chair he said: "I hardly intended to be here to night, but I saw in a little newspaper that Judge Black would now have to show his hand in this campaign. There they are" and he gracefully held forward both hands. "There is no stain on them. They never held a bribe."

A law suit in Fulton county involved the sum of seven cents. A man bought two penny pears and tendered a coin in payment. The seller gave him one cent in change. The buyer said the coin he tendered was a dime; the seller asserted that it was a three cent piece. They went to law about and the jury disagreed.

The purity and elegant perfume of Parker's Hair Balsam explain the popularity of this reliable restorative.

The New Castle, Plain Grove & Butler Railroad is the name of a new railroad which is soon to be built between Eastbrook station and Burnett station on the Shenango & Allegheny railroad. The route for the new road has been located, and the contracts for its construction will be let as soon as the engineers shall have finished their work. The New road will be built by the same capitalists who own and operate the Oil City & Chicago railroad.—*New Castle News.*

Constipation, liver and kidney diseases are cured by Brown's Iron Bitters, which enriches the blood, and strengthens the whole system.

Editing a morning newspaper in Russia under the new press laws must be pleasant. At 11 o'clock at night all the proof sheets must be sent to the local censor for revision. Should anything be received after that hour and get into the paper the offending editor becomes liable to punishment. Furthermore, the local censor can suspend publication of an issue if he thinks anything in it likely to have an undue and dangerous influence on the public mind

An Iowa paper has supplied a long felt want by giving to the public an obituary notice that bears the stamp of honesty upon its face. It says: 'He gained his riches by loaning money and handling notes and mortgages, and had a State-wide name for his litigation in various counties and the Supreme courts, was grasping and heartless in his transactions, became divorced from his wife, and died without a friend."

Hayesville, Ohio, Feb. 11, 1880.

I am very glad to say I have tried Hop Bitters, and never took anything that did me as much good. I only took two bottles and I would not take $100 for the good they did me. I recommend them to my patients, and get the best results from their use. C. B. MERCER, M. D.

Why continue the use of remedies that only relieve, when Ely's Cream Balm, pleasant of application and a sure cure for Catarrh, Hay Fever and Cold in head, can be had for 50 cents?

Apply into nostrils with little finger.

I was troubled with Chronic Catarrh and gathering in my head, was very deaf at times and had discharges from my ears, besides being unable to breath through my nose. Before the second bottle of Ely's Cream Balm was exhausted I was cured, and to-day enjoy sound health C. J. CORBIN, 923 Chestnut-st., Field Manager Philadelphia Pub. House, Pa.

It is no exaggeration. Ely's Cream Balm is a cure for Catarrh, Hay Fever and Cold in the head. Many cases have been cured among my customers. No other remedy has ever equaled the Balm in good results. A. J. ODENWELDER, Druggist, Easton, Pa.

A REMARKABLE CURE IN A SHORT TIME.
A TRUE CONFESSION.

I suffered for years with Indigestion, and lately had a feeling of some hard substance in my stomach. I could not eat, sleep or work. I was under the care of a regular physician for three months without relief. I then employed two physicians in Philadelphia. To the one I paid $15 for advice and medicine; to the other I paid at different times the amount of $84 without any benefit whatever.

Some friend recommended AROMANNA I tried it, and after taking two bottles, I was greatly relieved, the pain in my stomach ceased, my appetite and sleep came back and I could work. This was a year ago last October. Since that time I am taking every week a tablespoonful of the AROMANNA. I am hardy and healthy and as strong as ever. My wife and daughter, who were suffering with Dyspepsia, used the same medicine, and were entirely cured.

I have made this statement for the benefit of many sufferers. I am living on Mr. Wm. Knight's farm near Woodbury, where I can be found at any time.
