Canning Grain.

A new method of storing grain is proposed, in all-weather cylinders or bins of sheet iron, to be sealed after a partial exhaustion of the air. It is said that wheat, flour and bread, so stored for seven months, have been found in excellent condition (as might have been expected), and that taking into account the security of the grain against dampness, fermentation, loss of nutrients and large vermin, fire and other risks, when sealed up in a partial vacuum, the new plan is more economical than the ordinary storage in a granary.

Sparkling Eyes.

Rosy cheeks and clear complexion only accompany good health. Parker's Ginger Tonic better than anything makes pure, rich blood and brings health, joyous spirit, strength and beauty. Ladies try it.—Bazaar.

Burlington, Vt., Jan. 25, 1883. I have used Downs' Elixir exclusively for many years, and for a score or more of years, and always keep it with me. WARREN GIBBS, President Vermont Life Ins. Co.

Fairhaven, Vt., Jan. 1, 1883. I prefer Downs' Elixir to any other cough remedy for children, simply on account of its tonic and expectorant qualities. Respectfully, GEO. H. HARRIS.

It was at the shore, and a gentleman was chatting on his cottage porch with two or three guests. His pretty daughter comes up from the beach, just out of the sand. "Oh, papa!" she exclaimed; "only think! I was nearly drowned." Papa, turning pathetically to his friends: "By the powers, gentlemen, do you hear that? I have spent more than \$5,000 on that girl's education, and to-day she was nearly drowned."

Why continue the use of remedies that only relieve, when Ely's Cream Balm, pleasant of application and a sure cure for Catarrh, Hay Fever and Cold in head, can be had for 50 cents?

Apply to nostrils with little finger. I was troubled with Catarrh and Catarrh in my head, was very deaf at times and had discharges from my ears, besides being unable to breathe through my nose. Before the second bottle of Ely's Cream Balm was exhausted I was cured, and to-day enjoy sound health. C. J. CONNOR, 923 Chestnut St., Phila. Manager Philadelphia Pub. House.

It is no exaggeration. Ely's Cream Balm is a cure for Catarrh, Hay Fever and Cold in the head. Many cases have been cured among my customers. No other remedy has ever equaled the Balm in good results. A. J. OGDENWALDER, Druggist, Easton, Pa.

"Whose state is that?" asked a member of the New York judiciary of his companion, as they were riding through the park on Sunday last week. "Why, that is the state of Illinois," replied the other. "What in thunder did they want to give Humboldt a statue for?" said the judge. "He never did nothing but invent buchu."

Influence of the Soil on Health. The influence of the soil upon the health of those living upon it, is brought out very plainly during the prevalence of epidemic diseases. That malarial disease (like intermittent fevers) originate from the soil, is generally accepted; and recent investigations show pretty conclusively that the germs of Cholera, Asiatic Typhoid, Yellow Fever and the plague are in some way connected with the soil, which is daily corroborated by letters from all parts of the country, stating the marvelous effect Peruva has on those diseases, and in their convalescent state. John E. Corry, of Corry, Pa., says: "I am still getting better, thanks to your Peruva and Malinin." See page 24 in "ills of Life."

Mrs. Gadabout was visiting the Foggas and had brought her three noisy boys with her. "Yes," she replied to some remark about the arching, "they are all fathers." "Good heavens!" muttered Fogg. "I only wish they were all fathers. I shall go mad if they remain here much longer."

It is all very well for the Bradford people to laugh and crow over the high price of oil, but just think of the suffering that will be caused among our poor undertakers. People can't afford to build fires with it any more.

In putting away summer clothing for the winter it is better to have the starched washed out of fine muslins and white goods. Stiffening left in them is liable to turn them yellow and rot them.

Mrs. Sarah Pope, residing near Shelbyville, Indiana, was instantly killed by a kick in the neck from a cow she was engaged in milking.

A Paris journal states that Count de Lesseps has completed a scheme to shorten the time through the Suez canal by three days.

General Crook is said to have checked an Indian outbreak at San Carlos by putting a stop to frauds which were being practiced on the reservation.

An outbreak is anticipated in Sonora, Mex., by the Yagin and Mayo tribes, numbering 12,000, who have hitherto been peaceful.

Gentlemen—Your Hop Bitters have been of great value to me. I was laid up with typhoid fever for over two months and could get no relief until I tried your Hop Bitters. To those suffering with debility or any one in feeble health, I cordially recommend them. J. C. STRITZEL, 683 Fulton St., Chicago, Ill.

Owing the heavy importations of American wheat at St. Petersburg, there has been a remarkable decline in the price of that cereal.

There are no preliminaries. The girls dash at their enemy and attempt to grasp him. If all hands manage to get hold of him half the battle is accomplished. But he meets them squarely and fairly, planting a cruel blow between the eyes of the girl he had injured, knowing that if she is finished he can compel her to call off the rest.
