HARRY WHITE, Rep., is beaten Congress in the adjoining district of Armstrong, Indiana, etc., by Patton, fusion candidate, by 908 votes.

GEORGE V. LAWRENCE, Rep., elected to Congress in the Washington. Beaver and Lawrence district, by 777 plurality over McConaghy, Dem., of Lawrence county.

EX-SECRETARY BLAINE SAYS he does not see, in the recent Republican reverses, anything to cause fear respect ing the future of the party. Like other defeats of the past, he thinks it can be made to result in good to the party. He believes the Republicans can have success in 1884 by presenting a candidate for the Presidency upon whom all can unite.

PATTISON, the Governor elect, made a true and timely remark to some of his friends when he advised them that his was not a Democratic victory; that it was the people rising irrespec-tive of party to free themselves of a certain boss power, and that he did not claim the victory as a party one and in no sense did he regard it as a purely Democratic triumph.

THE Democrats, having a majority in the next House at Harrisburg, are already discussing the question of its Speakership. Among the names mentioned we notice that of Capt. Ziegler, elected in this county. If they want the best qualified member on their side it seems to us they should take "Uncle Jake." He has had experience bim for Speaker. He is conversant three in Venango county; the two with the rules of legislation, as elected in Beaver county; the two elected in Beaver county; and one in Jefferson; one in Washington, and "Ziegler's Manual," long a standing one here, in Butler county; making in cans—do this and the authority, attests. LARGE REPUBLICAN LOSSES IN MICHI GAN, INDIANA, WISCONSIN, IOWA, KANSAS AND OTHER STATES.

The official count has not as yet been made of the election last week in this State, but enough to know that Pattison, Dem., is elected Governor over Beaver. His majority is given at present at 39,624.

Stewart's vote, it is estimated, will reach about 50,000-47,876 being the number given by unofficial returns.

The Republicans have also lost four Congressman, but will still have a maority of the delegation in the next Congress.

They have also lost the lower House of the State Legislature. Three of the four members elected in Crawford county are Democrats; two of the three elected in Mercer county; two of the from the Western counties alone of the State. The Republicans retain the Senate, but the House of the Legislature will undoubtedly be Democratic. FLEMING —At 1 o'clock a. m., on Saturday, the 21st of October, 1882, Mollie, daughter of Michael and Sarah Fleming, in the 14th year of her age.

The Rev. Fathers Quilter and Brown, administered the last solemn rites of the Catholic church.
