MISCELLANEOUS.

The Night After Christmas.

'Twas the night after Christmas; the boys were awake, After stuffing with turkey, and pudding, and cake, And doughnuts, and oysters, and plums, and mince pie, There were moanings and groanings and piteous cries, "O my stomach!" "O Moses!" "O help!" "How I wish that I hadn't had half as much!" "O mother!" "Come, hurry!" "O what shall I do?" "Bring something to cure me." "Boo-hoo!" and "Boo-hoo!"

And mother, alarmed by the racket and noise, Ran in to see what she could do for the boys. Poor Davy's Pain Killer she brought for relief.

And soon made an end to their noise and their groans.

An hour was quiet and a joy in the house, And each of the lads was as still as a mouse.

The remark was made that a gentleman (who was known to have a pretty good appetite) had eaten away his senses. "Pooh!" replied another "they would not be a mouth to him."

L. J. Shuler, Pottstown, Pa., says: "Brown's Iron Pills cured me of indigestion and flatulency. I had the skill of eminent physicians."

"What do you think of my train of thought?" asked a lecturer of a supposed friend. "I thought it lacked only one thing," replied the supposed friend. "Ah!" responded the delighted lecturer, "what is that?" "A sleeping car," was the answer.

The coming holidays will be more generally observed than any for many years, and we would remind our readers that a bottle of Dr. Bull's Cough Syrup will prove a most acceptable holiday present.

A merchant whose time for the past year has been so much taken up that he has been unable to remain at home except at meal-time, concluded to take a vacation. A friend asked him where he intended to go, and he said he thought he would go home and get acquainted with his family.

Boils, pimples, and all blood diseases are cured by "Dr. Lindsey's Blood Searcher." Sold by all druggists. Never fails.

A very quick child made an observation to her governess the other day, which had a great deal of truth in it. "How is it, my dear," inquired the lady, "that you do not understand this simple thing?" She answered, with a perplexed look, "I have so many things to learn that I have no time to understand."

"Dr. Sellers' Cough Syrup" will cure you a good night's rest. The best cough medicine in the market. Price 25c.

The Monitor Universal, of Paris, clinches its fists and cracks its elbows and blows about the world of France to knock America out of time in less than four rounds. It says this country has no navy of any account, and that France could soon rain every American port. It's all right for that Monitor Universal to strut, but it may discover that while America has a one-horse navy it has a two-horse gut.

"Men are but sorry witnesses in their own cause." The praise of Kidney-Tone comes from the mouths of those who have been made strong and healthy by it. Listen: "It is curing everybody," writes a druggist. "Kidney-Tone is the most popular medicine we sell." It should be by right, for no other medicine has such specific action on the liver, bowels and kidneys.

At the annual conference of the Anti-Tobacco Society, held at Manchester, the following resolution was passed: "That as careful statistical investigation has shown that teetotalers who smoke are five times more liable to fall away than those who do not, this meeting would earnestly appeal to Blue Ribbon, Band of Hope, and all other temperance organizations who pledge their followers to discontinue the use of any remedy for intemperance to offer them an additional safeguard of a pledge against tobacco."

Loss of hair and grayness, which often mar the prettiest face, are prevented by Parker's Hair Balsam.

Statistics show that in Belgium 15,000,000 inhabitants annually consume about 60,000,000 quarts of alcoholic liquors. There is an average of one public house where liquors are sold for every twelve adult male Belgians, and in some parts of the country the supply is nearly twice as great. If all men and women in Belgium do not drink it is surely not for lack of opportunity to buy intoxicating beverages.

The proprietors of Elys' Cream Balm do not claim it to be a cure-all, but a most valuable remedy for Catarrh of the head and Hay Fever. Price 50 cents.

CATARRH. For fifteen years I have been greatly annoyed with this disgusting disease, which caused severe pain in my head, continual dropping in my throat and unpleasant breath. My sense of smell was much impaired. But through the use for six months of Elys' Cream Balm I have entirely overcome these troubles. J. B. CASE, St. Denis Hotel, Broadway and 11th St., N. Y.

My son tried Elys' Cream Balm for cold in the head, after using it twice he felt no more distress or trouble in breathing. I recommend it above all other Catarrh remedies. C. C. HARRISON, Druggist, Mahany City, Pa.

Fogg says his wife is the most feckless person he ever saw. The other day she spoke of Miss Blain's charming young lady and remarkably handsome. "And," said Fogg, "I told her that was just what I thought; that Miss Blain was a most delightful lady, one whose beautiful face one never tired of gazing upon, and considerable more to the same effect. Well, could you believe it, Mrs. F. suddenly tacked about and said: "Oh, she isn't so very pretty! She's got an awfully homely nose, her mouth's a mile too big and she hasn't got a bit of expression in her eyes. Then she's got such a disagreeable way with her!"

O'Donovan Rossa's Opinion. O'Donovan Rossa, speaking of the Great German Remedy to a friend, said: "Mrs Rossa has been cured of a very severe attack of neuralgia by you. I scarce oil, as she will gladly tell you, if you call at my residence, 879 Bushwick ave., Brooklyn, N. Y."

A Varied Performance.

Many wonder how Parker's Ginger Tonic can perform such varied cures, this is the essence of ginger, when in fact it is made from many valuable medicines which act beneficially on every diseased organ.

A drunken husband isn't ordinarily a good investment, yet Mrs. Robert Kurtz, of East Liverpool, Ohio, has recently succeeded in realizing about all her worst half is worth. He insisted on getting drunk, and she waited the saloon keeper not to sell him liquor. Three of them were in the saloon, and she brought suit against them for damages of from \$3,000 to \$5,000. Two of them complied by paying her \$300 each, and the third elected to fight it out in court, but Mrs. K. has been awarded a verdict against him for \$1900.

Catarh of the Bladder.

Stinging, smarting, irritation of the urinary passages, diseased discharges, cured by Bucheuba's. \$1.21 a dozen. Prepared by express, \$1.22 a pair for \$5. E. S. WELLS, Jersey City, N. J.

Dr. Wild, of Toronto, has justified the important information that Adam was seven feet in height. He gives as his reason for this sage conclusion that Adam was a perfect man and seven is a perfect number. He says: "There is the Trinity number, an attitude of the Creator, four stands for the world; thus, seven stands for the Creator and created. Seven means completion. There are seven virtues that make a perfect man—virtue, knowledge, temperance, patience, godliness, brotherly kindness and charity." Clearly, Adam must have been seven feet in height.

Satisfactory Evidence.

J. W. Graham, Wholesale Druggist, of Austin, Tex., writes:—I have been leading Dr. Wm. Hall's Balsam for the Lungs for the past year, and have found it one of the most valuable medicines I have ever had in my house, for Coughs, Colds and even Consumption, always giving entire satisfaction. Please send me one gross by Saturday's steamer.

Dr. Green's Oxygenated Bitters

is the oldest and best remedy for Dyspepsia, Biliouness, Malaria, Indigestion, all disorders of the Stomach, and all disease-indicating an impure condition of the Blood, Kidneys and Liver.

Durno's Catarrh Snuff cures Catarrh and all affections of the mucous membrane.

Dr. Roger's Vegetable Worm Syrup instantly destroys worms and removes the Secretions which cause them.

GUARD AGAINST DIPHTHERIA.

Diphtheria is the result of a cold, or it may be induced by a diphtheric condition of the atmosphere. Hence, small children should be kept in the house on rainy, raw, damp and windy days. They should never be allowed to get out of doors before breakfast. Diphtheria is so easily communicated that the greatest caution should be exercised in its treatment. It is a disease that exists. Never allow the children of a family in which there is diphtheria to come to school. Never allow them to visit the sick room of a diphtheria patient. Never permit them to attend the funeral or go to see the corpse of a child that has died of the disease. Never allow children to wear an article of clothing which was worn by any one that had diphtheria. Take all the precautions in diphtheria that are taken in small-pox. It is a ten-fold more dangerous disease than small-pox. Bind flannel, dipped in coal oil, around the neck, inhale chlorine gas and send instantly for a good physician.

A Miracle in Oil City.

DOCTORS DUMBFOUNDED—DRUGGISTS AND THE PEOPLE WILD WITH EXCITEMENT.

(From the Oil City Derrick, July 21st, 1881.)

Miss Maggie Martin, of this city, has been ill and confined to her house for several years. Her best physician failed to give her relief. She took Peppermint, and to the astonishment of all who knew her, she is now up and about again. Mr. Simmons, the Druggist, sold 184 bottles last week. He buys in gross lots. Mr. Cowell, too, sells it. Ask your Druggist for Dr. Hartman's book—"I'lls of Life" (gratis), or address Dr. H., at Osborn, O., for one.

Consumption Cured.

An old physician, retired from practice, having had passed in his hands by an East India Missionary the formula of a simple vegetable remedy for the spessy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellow-men.
