rangement of Liver, Bowels and Kidneys. SYMPTOMS OF A DISEASED LIVER. Bad Breath; Pain in the Side, sometimes the pain is feit under the Shoulder-biade, mistaken for Rheumatism; general loss of appetite; Bowels generally cositive, sometimes alternating with lax; the head is troubled with pain, is dull and heavy; with considerable loss of memory, accompanied which ought to have been done; a slight, dry cough and flushed face is sometimes an attendant, often mistaken for consumption; the patient complains of weariness and debility; nervous, easily startled; feet cold or burning, sometimes a prickly sensation of the skin exists; spiris are low and despondent, ficial, yet one can hardly summon up foritude to try lie-in fact, distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred when but few of them existed, yet: examination after death has shown the Liver to have been extensively deranged.

It should be used by all persons, old and

young, whenever any of the above

symptoms appear.

Persons Traveling or Living in Un-healthy Localities, by taking a dose occasion-ally to keep the Liver in heal by action, will avoid all Malaria, Billous attacks, Dizzness, Nau-sea, Drowsiness, Depression of Spirits, etc. It will invigorate like a glass of wine, but is no in-toxicating beverage.

If You have eaten anything hard of digestion, or feel heavy after meals, or sleep-less at night, take a dose and you will be relieved.

Time and Doctors' Bills will be saved

IT IS PURELY VEGETABLE, And has all the power and efficacy of Calon

without any of the injurious after effects

A Governor's Testimony. mmons Liver Regulator has been in use in my ly for some time, and I am satisfied it is a able addition to the medical science. J. GILL SHORTER, Governor of Ala.
