The Shadow Hanging Over New York City and the Entire Country-A Tribune

ourning of a Milwaukee hotel, whereseventy lives were lost. This come silently they would have been annoticed not only by the people of the community land but also by the very in which they occurred. Fatal events of a far worse nature have taken place in this very city, but they have attracted no attention, nor would they now did not the Bureau of Vital Statistics bring them to our notice. "Figures do not lie." whatever else year the enormous increase of certain shed and the death rate on most discases has decreased still it is far greatwas ever known before. More people died in the city of New York in 1882 from Bright's disease of the kidseems possible but it is true such, the ravages of the malady can be partially understood. The immediate query which every reader will make upon such a revelation of facts, is : What causes this in-This is a difficult question to crease ? answer. The nature of the climate, the habits of life, the adulteration of foods and liquors, all undoubtedly con-Its approaches are so stealthy and its tain symptoms. Mysterious weariness; an unusual appetite; periodical headand many other symptoms are the indications of kidney disorder even though there may be no pain in the on of the kidneys or in that portion regi

It is high time the Doctors in this land who have been unable to control. kidney troubles, should be aroused and compelled to find some remedy, or ac-knowledge one already found. The suffering public needs help and cannot await the tardy action of any hair-splitting code or incorrectly formulated ries. If the medical world has no certain remedy for this terrible disease let them acknowledge it and seek for one outside the pale of their profession. For the discovery of this remedy and for its application to this disease, the people of this city; the people of the whole land; not only those who are
