COMPARATIVE WORTH OF BAKING POWDERS.

Table comparing various baking powder brands like ROYAL, GRANT'S, BICFORDS, etc., based on purity and weight.

REPORTS OF GOVERNMENT CHEMISTS

As to Purity and Wholesomeness of the Royal Baking Powder. I have tested a package of Royal Baking Powder...

The Royal Baking Powder received the highest award at all expositions at the Vienna World Exposition, 1874; at the Centennial, Philadelphia, 1876; at the American Institute, and at State Fairs throughout the country.

No other article of human food has received such high, emphatic, and universal endorsement from chemists, physicians, scientists, and Boards of Health all over the world.

The above diagram illustrates the comparative worth of various Baking Powders, as shown by Chemical Analysis and experiments made by Prof. Schellier.

A new idea embraced in Elys' Cream Balm. Catarrh is cured by causing discharge and cleaning, not by drying up.

A mad bull in Cumberland county chased the Southern Pennsylvania railroad engineers out of a field the other day.

Dr. Robt. Newton, late President of the Electric College of the City of New York, and formerly of Cincinnati, Ohio, used Dr. Wm. Hall's Balm.

Dr. Benson's Celery and Chamomile Pills, are worth their weight in gold in nervous and sick headache.

Consumption Cured. An old physician, retired from practice, having laid aside his hands by an East India Missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma, and all throat and Lung Affections...

Dr. A. H. Schleicher, of Baltimore. "I have used Elys' Cream Balm for Catarrh of the Head, and it has cured me of it."

NEUTRALIZED. In What Way a Prevalent Evil may be Shorn of its Power to Harm.

Why-Fever. Elys' Cream Balm. A New and Direct Line to Boston and Kansas City.
