A forfeit of \$100 will be made if this Soap does not do all that is claimed for it, provided that it is used as the instructions read, and in that way only. Try a cake and tell your friends and neighbors of its virtues, and ask them to get a cake and try it. The wrappers on Day's Soap are waxed paper. Use them for smoothing the sad irons; you will find them better and more cleanly than wax.

Read the directions carefully, and follow them just as they are given. No other way will do.

TRY IT. Wash-day has no terrors for the household where DAY'S SOAP is used, no unpleasant and sickening odors to fill your houses, no laborious rubbing on the wash-board, while the washing can be done in one-half the time necessary by following the old worn-out method.

MADAM—for it is to the ladies we desire to speak more especially—you are the interested person in this matter; you it is that suffers the ills arising from the wash-tub and its heavy cares; you it is to whom the perplexities and responsibilities of the household rightfully belong, and you it is that should interest yourself in a trial of the qualities of this soap, that has always proven itself to be a boon of salvation

TO SUFFERING HUMANITY.

We do not come to you with a plausible story calculated to have you try it, simply for the amount of money such a sale would bring us; we do not come to you as irresponsible parties, who have no reputation to suffer calumny, but we do present to you this brand of soap upon an absolute guarantee and recommendation of a well-known industrial establishment of Philadelphia, of sixteen years' existence. Do you suppose for a moment it would compensate us to make false statements to you and ruin our well-earned reputation? No, dear reader; what we say about DAY'S SOAP is the truth, and it is sustained by the evidences of thousands of housewives from all over the country; besides which we stand

ready to endorse it all with ready cash. DAY'S SOAP is the Original and Only Patented. Ca AY'S SOAP

Will clean the Miners' Skin and Clothes.
Will clean the Blacksmiths' Skin and Clothes.
Will clean the Machinists' Skin and Clothes.
Will clean Everybody's Skin and Clothes.

No soda, no washing crystals, no lyes are to be used, but simply supply yourself for the next wash-day with a bar of DAY'S SOAP, then carefully read the directions and follow them to the exact letter, and if you don't say pitch out that old wash-boiler, for I am a wiser woman, you will be the first person we have yet heard of that has been disappointed. Now remember-If you don't intend to follow the directions do not try the soap at all, for

unless you do this you will be disappointed, and then you will scold us and yourself as well. The cost of one cake will convince you that it is the best and cheapest soap ever offered you, while the smiles that will encircle your brow will do justice to a golden sunset. Have you confidence in this newspaper? If so, do you suppose the owner would allow us to swindle his readers by offering them tempting inducements? He uses it in his own home, and can certify to its merits. Now you get a cake from your grocer in time for the next wash-day, and become

acquainted with its intrinsic worth. Ask your grocer for it, and do not allow him to put you off with anything else for a substitute, for every dealer can obtain it, and should he refuse you, send direct to DAY & FRICK, Prop's. of the Philadelphia Steam Soap Works,
