Doctor's Disagree Over a Case that Perplexed the Whole Faculty-How a Woman's Life was Saved-A Remarkable Cure.

She sent for the leading physicians of Allegheny, who summoned a consultation of prominent physicians and surgeons, who united in pronouncing it a case of malignant cancer, and they told her it was incurable. She next consulted a well-known cancer doctor of Kittanning under whose treatment she remained six months. Her case not manifesting the slightest improvement, she experienced the most excruciating torture all the time. Her relatives took her to Rome, New York, where she remained for two years under the care of Dr. Kingsley. Gentlemen:—Havinz been made acquainted with the ingredients of which your celebrated Day's Soar is composed, and having fully tried the Soap. I take pleasure in giving this as my testimony: 1st. The Soap is perfectly harmless, and may be used with impunity even in washing the most delicate infant, or the most fastidious beauty. 2d. It is purifying, refreshing, detergent and districting. 3d. No lady, no gentleman, no housekeeper, no hotel, no asylum, no hospital should be without it. The above may seem strong language, but I have only embodied my convictions after thorough experience and trial.

Very truly yours.

B. PRICE, M. D., 307 North Ninth Street.

Messrs, Day & Frick.

Dear Sirs:—Your Day's Soap has been used in my family. My wife has had some experience for thirty-five years as a housekeeper. She pronounces it the best of all ever used in our family.

Messrs. Day & Frick.

Sirs:—I am using Day's Soap, and could not be induced to use any other for any amount of money. I have been suffering with salt rheum for a number of years, and could use no Seap until I met yours, and to my great surprise it healed my hands, and now I can do a day's wash without any suffering. It has not only cured me, but saves me many hours of hard work. I therefore willingly recommend it to every woman as the best Soap made.

Respectfully,

MRS. PETER BOER, GROCER,

Save your health, Save your time, Save your patience By using this Soap No unpleasant odor No sickness as the result of a hard lay's wash.

to hot water. No wash boile but clothes nice and white and as trarant as new mown

Wash-day has no terrors for the household where DAY'S SOAP is used, no unpleasant and sickening odors to fill your houses, no laborious rubbing on the wash-board, while the

washing can be done in one-half the time necessary by following the old worn-out method. MADAM—for it is to the ladies we desire to speak more especially—you are the interested person in this matter; you it is that suffers the ills arising from the wash tub and its heavy cares; you it is to whom the perplexities and responsibilities of the household rightfully belong, and you it is that should interest yourself in a trial of the qualities of this soap, that has always proven itself to be a boon of salvation

——TO SUFFERING HUMANITY.

We do not come to you with a plausible story calculated to have you try it, simply for the amount of money such a sale would bring us; we do not come to you as irresponsible parties, who have no reputation to suffer calumny, but we do present to you this brand of soap upon an absolute guarantee and recommendation of a well-known industrial establishment of Philadelphia, of sixteen years' existence. Do you suppose for a moment it would compensate us to make false statements to you and ruin our well-earned reputation? No, dear reader; what we say about DAY'S SOAP is the truth, and it is sustained by the evidences of thousands of housewives from all over the country; besides which we stand ready to endorse it all with ready cash. DAY'S SOAP is the Original and Only Patented. DAY'S SOAP Will clean the Miners' Skin and Clothes.
Will clean the Blacksmiths' Skin and Clothes.
Will clean the Machinists' Skin and Clothes.
Will clean Everybody's Skin and Clothes.

Is there not economy in the use of Soap that will clean the skin as we'll as the clothes? this Day's Soap will surely do. It will in no way injure the finest fabrics or the most delicate complexions.

No soda, no washing crystals, no lyes are to be used, but simply supply yourself for the next wash-day with a bar of DAY'S SOAP, then carefully read the directions and follow them to the exact letter, and if you don't say pitch cut that old wash-boiler, for I am a wiser woman, you will be the first person when let we heard of that has been disappointed. Now remember-If you don't intend to follow the directions do not try the soap at all, for

unless you do this you will be disappointed, an I then you will scold us an I yourself as well.

The cost of one cake will convince you that it is the best and cheapest soap ever offered you, while the smiles that will encircle your brow will do justice to a golden sunset. Have you confidence in this newspaper? If so, do you suppose the owner would allow us

to swindle his readers by offering them tempting inducements? He uses it in his own home, and can certify to its merits. Now you get a cake from your grocer in time for the next wash-day, and become acquainted with its intrinsic worth.

Ask your grocer for it, and do not allow him to put you off with anything else for a substitute, for every dealer can obtain it, and should he refuse you, send direct to DAY & FRICK, Prop's. of the Philadelphia Steam Soap Works, 1754-56-58-60-62 Howard Street, Philadelphia.
