FORTY BILLION GERMS.

A Wonderful Theory that Concerns the Welfare, Happiness and Life of Everyone.

In his quiet and easy library at the close of a busy day...

"John, what is the germ theory?" "The germ theory—well—yes; just look in the encyclopedia under 'Germ,' that will explain it so much better than I can."

Accordingly his wife opened the book at the word named and read: Germ Theory of Disease—A theory advanced by the ablest and best investigators and scientists of the times...

Dr. Roger's Vegetable Worm Syrup instantly destroys worms and removes the secretions which cause them.

Denton's Balsam cures colds, coughs, rheumatism, kidney troubles, etc. Can be used externally as a plaster.

The starving photographer uses dry plates.

"I wouldn't be without Dr. Benson's Celery and Chomomile Pills if they cost \$1 a pill. They cured me of neuralgia of 3 years' standing."

A nice little surprise party—new-born triplets.

Strength for Mind and Body.

There is more strength restoring power in a bottle of Parker's Ginger Tonic than in a bushel of malt or a gallon of milk.

Denver Doings.

Mr. J. A. McBeth, Pacific Express Office, Denver, Colo., was cured by St. Jacobs Oil of an excruciating pain in the neck, and also tooth-ache.

The base ball bat is mightier than a Faber pencil.

Epilepsy Entirely Cured.

Prof. Irvin B. Smith, of Pike, N. Y., makes the following statement: "Samaritan Nerve has entirely cured me of epileptic fits."

Early English—baby talk.

The fact that good health, strong muscles and sound nerves are attainable, should encourage every invalid to an earnest endeavor in the right direction.

A crying evil—baby's colic.

It Seems to Satisfy.

A family want, and I wonder how we ever got along without Parker's Ginger Tonic. It cured me of nervous prostration, and I have used it since for all sorts of complaints in our family.

What he was in.

"Mr. White," said a Harrisburg lawyer to a witness in the box, at the time these papers were executed you were speculating, were you not?"

"Yes, sir."

"You were in oil?"

"I was."

"And what are you in now?"

"Bankruptcy and the poorhouse!" was the solemn reply.

Cleanliness and purity make Parker's Hair Balsam the favorite for restoring the youthful color to gray hair.

The bigger a newspaper is the more bustle there is.

ALWAYS AHEAD! JOHN BICKEL, THE BOOT and SHOE MAN OF BUTLER

Has been East, the only Shoe Merchant in Butler that went East this Fall. His goods are now arriving daily, and as usual, his Fall trade has opened with a GRAND RUSH.

The people of Butler county have been imposed on long enough with high prices, and with few exceptions they are going to the CHEAP BOOT and SHOE HOUSE

to buy their Fall goods, but this is not enough I want them all to come, I have the goods and THEY MUST BE SOLD.

My goods were all bought direct from the manufacturer for cash by an experienced buyer and I intend to sell them at such

ASTONISHING LOW PRICES!

That will make my customers all happy and my competitors go mad with rage. They want me to maintain high prices so we can all make BIG MONEY,

But I tell them, NO, I can afford to sell goods on a VERY SMALL MARGIN because I am selling more goods than any other Shoe House in Butler county. So I am going to CUT THE PRICES

And favor the people and do the trade. My Stock of Boots, Shoes and Rubbers is by far the largest that was ever brought to Butler in one season, and I want to impress on the minds of the people that I will not be UNDERSOLD

But to the contrary will guarantee to save them from 15 to 25 per cent. on their Boots and Shoes and give them goods that will prove just as recommended. All I ask is to give me a call and it will be no trouble for me to convince you that it is

THE CHEAPEST PLACE IN BUTLER TO BUY YOUR BOOTS AND SHOES.
