Grieb's Jewelry store

—J. D. Hancock, Esq., of Franklin, habeen presented by the Cobden Club, of London, with a silver medal in recognition of his free trade essay entitled "Petroleum vs. Protection," and the Frees of that town thinks that after "having made a mash on that sedate and lofty club," he should forward the original draft of the "tariff for revenue only," resolutions written by him and adopted by the late Venango Country Democratic Convention, to Queen Vic. and take his chances in the next vacant garter.

—All the diphtheria patients in this town have recovered. The disease in some cases, is supposed to have orginated from the water of a well near the Witherspoon Institute, which the children used, and it may be that the hydrant water in the lower part of the town is not as pure as it should be. We are of the opinion that all drinking water, excepting that used directly from a clear spring, should be boiled or filtered. A good filter costs less than ten dollars, lasts four or five years, and in that time may save ten times its cost in Gottor bills, or saye life—the one priceless thing on earth.

Two young men named Danayan and Dulity, who work on an oil well near St. Joe, came to Butler last Tuesday and got drunk, so drunk, they claim, that they were unconscious of what happened to them or what they did that night after leaving Butler. On their way home they broke their buggy all to pieces, then went to the house of an old man named Seel and abused both him and his old wife, and then to the house of Mrs. Catharine Sherar, in Oakland township, where they badly mis-behaved themselves. Informations were made against them next day before both Esq. Flannigan, of St. Joe, and Esq. Keck, of Butler. Constable McCandless arrested them on Thursday and took them before Esq. Flannigan, who bound them over for court.

The hows Benninger and Hawitt name.

The boys, Benninger and Hewitt, now in jail on a charge of horse stealing preferred by Mr. Halderman, are said to have confessed to having stolen the horses and to having received five dollars each for their work. The horses were delivered to Wilson, who in also in jail, and were discovered hitched in a thicket of underbrush, on the Fletcher farm, near Martinsburg. The following letter, supposed to having been written by Wilson and to be a ruse on his part to make it appear that he had gevered all connection with the boys before the theft was perpetrated, was found on Benninger's person: "Billie Benninger. I hear there is some trouble in Petrolia about us meet me where we was this morning i will be there Mr. Wilson discharged me this morning he heard some talk about us while he was in Petrolia to-day.

DARRELL HEWITT.
