MEETING OF THE REPUBLICAN COUNTY COMMITTEE.

The members of the Republican County Committee are hereby requested to meet in Butler on Tuesday, March 4, 1884, at 1 o'clock P. M., for the purpose of fixing the dates for holding the primary elections required to be held in the county this year, and for the transaction of such other business as may properly come before the Committee.

By order JAMES BARR, Chairman Co. Com. Butler, Feb. 5, '84.

We regret to be unable to insert this week the proceedings of the Women's Christian Temperance Union, at the meeting held last week. They came to our office so late on Monday evening as to prevent their appearance this week. They will appear in our next issue.

We do not know the amount of truth there is in the report that certain Republicans had a private meeting in this place, on Monday night of last week, and slated a county ticket to be voted for at the primary election. But if true the Republican voters of this county are to be congratulated that such workers have shown their hand so soon. Such things have been done heretofore, but they will be very damaging to all persons or candidates engaged in them at present.

CARE should be taken in mailing matter. The law does not allow printed and written matter to be sent in the same package. If you send printed matter, such as cards or posters, you cannot put in same any letter or bill, but must send the bill, or any written matter, under a separate envelope.

Last week one of our citizens was arrested for not knowing the post office laws on this subject. But few in fact are so informed, and are therefore liable to get into trouble.

The Committee Meeting. It is generally regretted that the meeting of our County Committee was fixed at so distant a date as March 4. Almost all the surrounding counties have already had their County Committee meetings and fixed the time for their primary election. In this Congressional district, in both Mercer and Crawford counties, the County Committees have met and acted. In both but one primary was determined upon; in Mercer on April 7, and in Crawford on April 8, at which both the county tickets and the delegates to the State Convention from each are to be chosen.

In neither of them was it even intimated that the old Committee could or should select the State or National delegates. In no county in fact have we seen such a claim made for present county committees. The State rule, which they have all approved of, is so expressly against any other than the Republican voters of a county choosing its delegates, that there is no county yet heard from that has been any attempt or desire to break the rule.

MEADVILLE is now lighted by electricity, of which its people are very proud. Butler is lighted by the moon.

Crawford County. The Republican County Committee of Crawford county met in Meadville last week and fixed April 8, for a primary, for all purposes. The Committee also took action relative to the manner of choosing the delegates to the National Convention from this Congressional district. The first provision of the National rule was the one favored, to wit: by a district Convention, composed of the three counties of Crawford, Mercer and Butler.

On motion, the time for holding the primary election for this year was fixed for Saturday the 2d day of June, commencing at 2 o'clock P. M.

On motion, the rules adopted by the Republican State Conventions of last year, in regard to the election of delegates to State Conventions, be approved by this Committee.

On motion, the Senatorial delegate for this county be conceded Armstrong county.

On motion, the Return Judges be directed to meet at the court house on the Monday following the primaries being Monday June 4, at 1 o'clock P. M., to count up the votes and declare the result.

The rule adopted last spring, requiring the Chairman of the Co. Committee to have blanks for holding the primaries prepared and sent to the different districts, be approved and the Chairman to perform that duty.

ELECTION OF STATE DELEGATES.

Correction of Another Attempt to Mislead the Republicans of Butler County.

The Eagle of last week contains the boldest attempt yet made to deceive the Republicans of this County. In an article written by Mr. Thomas Robinson, and headed "How shall our delegates be chosen," occurs the following relative to the matter of State Delegates:

"Thus it will be seen that there is no rule binding us on the subject. The matter then seems to be one of prudence on the part of the Committee."

By "the Committee" is meant the present County Committee; and the subject meant is the one of delegates to State Conventions. It is positively asserted, it will be noticed, that there is no rule in this county on that subject. And this statement is made in the face of the fact that the rule on the subject was adopted as late as last year. It would be charity to suppose he had forgotten the proceedings of last year's county committee. But that cannot be pleaded in this case—the time is too short since the rule was adopted. It is said that "liars ought to have good memories," and this case rather illustrates the truth of that saying.

While Mr. Robinson has a good memory, and is apparently of sound mind, yet it is well known that his memory has failed him some times. It failed him the first and only time, the Republican party of this county ever committed a trust to his hands. He forgets all about his pledges and promises to the people when he voted in the Legislature to repeal the "Tonnage Tax Law" on the Pennsylvania Railroad. Were he out among the Indians they would dub him something like this: "The Man-Who-Was-Not-Afraid-to-Forget-His-Promises." He has forgotten a great many things in fact. But there is one thing he never forgets, and that is himself. He lately would have forgotten that there were any delegates to be elected and now forgets there was a rule in our county providing for the manner in which delegates to Republican State Conventions must be chosen. And the CITIZEN calling the attention of the voters of the party to the rule is what provoked him, and finally drove him to deny there was such a rule. This was no "boss" business on our part, but a simple and honest duty we owed the party, which we noticed he was trying to deceive, all along, on a right to that had been obtained for the people after a long struggle against secret committee practices. They have the right and a rule, on the subject, granted them by the State Conventions and Committees of 1882, and approved by the County Committee of this county on May 12, 1883.

And here is the evidence. We copy the proceedings of the Republican Co. Committee of May 12, 1883, when it met to make the call for the primary of last year, as follows:

COUNTY COMMITTEE MEETING. Pursuant to notice the members of the Republican County Committee for this county assembled in the Court House on Saturday last. A majority of the Committee were present. The Committee came to order at the request of Mr. Walker, who, before doing any further business, stated to the Committee that in the interest of harmony he desired to resign his position as Chairman of the Committee. Dr. Rumberger then stated that he regarded himself but as a temporary Chairman and claimed no further rights than as such. Both gentlemen having thus resigned on motion of C. M. Brown, Esq., of Harrisville, James Stephenson, of Summit township, was unanimously chosen Chairman of the Committee for the balance of the term. S. W. McCollough, of Fairview township, was on motion chosen Secretary.

On motion, the time for holding the primary election for this year was fixed for Saturday the 2d day of June, commencing at 2 o'clock P. M.

On motion, the rules adopted by the Republican State Conventions of last year, in regard to the election of delegates to State Conventions, be approved by this Committee.

On motion, the Senatorial delegate for this county be conceded Armstrong county.

On motion, the Return Judges be directed to meet at the court house on the Monday following the primaries being Monday June 4, at 1 o'clock P. M., to count up the votes and declare the result.

The rule adopted last spring, requiring the Chairman of the Co. Committee to have blanks for holding the primaries prepared and sent to the different districts, be approved and the Chairman to perform that duty.

S. W. McCOLLUGH, Sec'y. CALL FOR REPUBLICAN PRIMARY ELECTION AND COUNTY CONVENTION.

In obedience to above the Republicans of Butler county are requested to meet at the regular place of holding the elections in each borough and township on the first Saturday (2d) of June, to select one candidate for District Attorney and one candidate for County Surveyor; also two delegates to the State Convention; also one person for return judge from each voting precinct, the same to meet at the Court House the following Monday (4th) to count the vote and transact any other business that may come before them.

JAS. STEPHENSON, Chairman. S. W. McCollough, Sec'y. The rules adopted by the Republican State Conventions of last year provided that said delegates must be chosen "as members of Assembly are nominated in any county." We nominate in this county by popular vote, and hence delegates must be chosen in the same manner.

The weather of the present month has so far been almost a repetition of February of last year. On the 16th of February, 1882, the mercury stood at seventy-two degrees above zero.

STATE POLITICS.

Fayette Republicans.

From Commercial-Gazette. UNIONTOWN, PA., Feb. 10.—The Fayette county Republican Committee met here yesterday to fix a time for holding the County Convention to elect delegates to the State Convention, and also to consider a method of choosing delegates to the Chicago Convention.

It was decided to hold the primary elections on Saturday, March 8, and the County Convention March 10. Resolutions were adopted without dissenting votes providing that a popular district convention should be held to elect two delegates from the Twenty-first Congressional district to the Chicago Convention. The Chairman and Secretary of the County Convention were authorized to confer by correspondence with the committees of Westmoreland and Greene, with a view of carrying into effect the plan of a popular district delegate convention.

Mr. Robert McKinney is quite a theologian. He has peculiar opinions about the original sin. Ask him to give his views, for they furnish food for thought.

Does anyone know who wrote the letters to those two gents? They are worth reading.

Victor Riddle has great faith in Groundhog Day. He says it is owing to the "hog's" doings if we have any summer at all.

The people of this "neck of woods" have very little sympathy for the society quarrel in Washington. Just why the chief men of this nation, with their wives, should be quarreling about who is the best woman, or prettier, or who should wear the coolest outfit, is something so full of simplicity that it is hard to understand.

That Adams Barn Fire. Messrs. Eds.—A paragraph in your issue of the 1st inst., in relation to the burning of Miss Nancy Adams' barn is incorrect. First, it (the barn) was not near Templeton Station, P. & W. R. R., but was near Brownsdale. You stated that it is supposed that the barn was ignited by a spark from a careless neighbor's pipe. As I am the nephew in question I take the necessary steps to disprove you. The report started in Mr. Perry inquiring if Wm. Ritchie, Jr., had seen young Adams smoking as he (Ritchie) was going to Mr. Perry's, past the barn for a load of hay. Ritchie, Jr., replied that he hadn't seen young Adams at all. A certain party heard the question and reported that young Joe Adams coming out of the barn smoking just before the fire, whereas Ritchie wasn't there and did not say it. And that I have not been near the barn for 30 days, Miss Adams herself is ready to take an affidavit on it. And that wasn't nearer the barn than the store, Miss Adams and Willie Hamilton are credible witnesses.

Church of this place, last Friday evening, on the subject of "Our Mother Tongue" was the most instructive delivered here this season. He traced the rise and progress of the English language, and showed that from its rapid spread it would soon be the language used in business the world over. With the spread of the English language goes the establishment of the Christian religion, and when both generally prevail there will be a higher and better civilization in all lands and among all people.
