Figures Won't Lie.

The figures showing the enormous yearly sales of Kidney-Wort, demonstrate its value as a medicine beyond dispute. It is a purely vegetable compound of certain roots, leaves and berries known to have special value in Kidney troubles. Combined with these are remedies acting directly on the Liver and Bowels. It is because of this combined action that Kidney. Wort has proved such an unequalled remedy in all diseases of these organs.

(Continued from last week.) How Watch Cases are Made.

The many great improvements intro-

duced in the manufacture of the Jas. Boss' Gold Watch Case, have led to similar improvements in the making of silver cases. Under the old methods, each part of a silver case was made of several pieces of metal soldered together, requiring a great amount of cutting and soldering, which softened the metal and gave it the pliability of lead rather than the elasticity of silver. Under the improved methods, each part of the Keystone Silver Watch Case is made of one solid piece of metal hammered into shape. The advantages are readily apparont, for every one knows that hammering hardens the metal while soldering softens it. To test the superiority of the Keystone Silver Watch Case, take one of 3 oz. weight, press it squarely in the center when closed, and it will not give, while a case of same
