REPUBLICAN COUNTY COMMITTEE MEETING.

The County Committee had a very pleasant meeting in the office of S. F. Boyer, Esq., last Monday afternoon. The meeting was called to order by Chairman Abrams, who stated that his object was to fix the time of holding the primary election. Mr. Mates, the secretary, was sick, and Mr. McPherrin was elected secretary in his stead.

Mr. Wilson moved that Saturday, June 4, be selected as the day for the Primary. This motion was seconded, and after being thoroughly discussed, was adopted by a unanimous vote, and the primary for this year will be held on Saturday, June 4.

Mr. Welsh suggested that the County Chairman see that the proper blanks were at all the polling places, which he promised to do.

A motion was made that the tickets for the primary contain the names of all the candidates, and that the voter mark off all but the names of those he wishes to vote for. This motion was not carried, but a committee consisting of Abrams, Hoover, Wilson and Sisson was appointed to consider the matter.

Mr. Fennell was in favor of prohibiting the candidates from canvassing on account of their taking up so much of the voters time, but Mr. Seaton, of Marion, said that he was always glad to see candidates, and that it rested him to talk to them.

Mr. Campbell referred to the fact that Butler would probably be divided into three wards and hereafter have three votes in the committee. Mr. English referred to the matter of members of other organizations, and thought that some action should be taken in the matter, and it was discussed, but it seemed to be the opinion of the committee that the present rules of the party were sufficiently stringent.
