The granting of license in Butler of course had nothing to do with it.—Greenville News.

-A naw road bill introduced in the Legislature provides for the creation of the office of county engineer. The business of the engineer would be to supervise the road supervisors. On the greater part of the country roads an engineer ought to be provided for every vehicle that is pulled over them. The money that is annually squandered in this commonwealth upon extra horse-power, breakage, and wear and tsar of property and temper caused by bad roads, would pay 20 per cent. upon the cost of necessary repairs.
