MISCELLANEOUS.

How to Get Rich.

Live up to your engagements.

Earn money before you spend it.

Never play at any game of chance.

Drink no kind of intoxicating liquor.

Good character is above all things else.

Keep your own secrets, if you have any.

Never borrow, if you can possibly avoid it.

Always speak the truth. Make few promises.

Do not marry until you are able to support a wife.

Keep yourself innocent if you would be happy.

Ever live (misfortune excepted) within your income.

When you speak to a person, look him in the face.

Make no haste to be rich if you would prosper.

Save when you are young and spend when you are old.

Avoid temptation, through fear you may not withstand it.

Never speak evil of any one. Be just before you are generous.

Never run in debt, unless you see plainly a way to get out again.

Small and steady gains give competency with tranquility of mind.

Good company and good conversation are the very sinews of virtue.

Your character cannot be essentially injured except by your own acts.

If any one speaks evil of you, let your life be so that none will believe him.

When you retire to bed, think over what you have been doing during the day.

If your hands cannot be usefully employed, attend to the cultivation of your mind.

An Appeal to Parents.

Croup is rapid. If the child has hoarse breathing, with a harsh cough, like coughing through a trumpet, there is no time to lose. Give Tutt's Expectorant, and the disease will yield rapidly.

—Look out for counterfeit ten-cent pieces.

—The acerage of potatoes will be large this year.

—The season for bass-fishing opens the first of June.

—Seersuckers, rhubarb pies and cramps are in season.

—A new kind of writing paper is made from sea weed.

—Lost and found. A rich reward awaits the man that presents a better thing than the *Hop Plaster* for all pain and soreness. Acts instantly when applied to backache, rheumatism, sciatics, kidney affections, side ache, stitch, crick, sore lungs or severe aches in any part. 25 cts.

—Nearly 50,000 farms have been opened up in Kansas during the past year.

A Great Battle

Is continually going on it the human system. The demon of impure blood strives to gain victory over the constitution, to ruin health, to drag victims to the grave. A good reliable medicine like Hood's Sarsaparilla is the weapon with which to defend one's self, drive the desperate enemy from the field and restore peace and bodily health for many years. Try this peculiar medicine.

—This is the off year for apples, and hence an abundant supply of that fruit may not be expected this season.

Scott's Emulsion of Pure Cod Liver Oil, With Hypophosphites.

For Children and Pulmonary troubles.

Dr. W. S. Hoy, Point Pleasant, W. Va., says: "I have made a thorough test with Scott's Emulsion in pulmonary troubles and general debility, and have been astonished at the good results; for children with rickets or marasmus it is unequalled."

—Corn suffers less from insects and is surer as a crop than any other grain crop grown.

Drunkenes or Liqour Habit

can be Cured by administering Dr. Haines' Golden Specific.

It can be given in a cup of coffee or tea without the knowledge of the person taking it, effecting a speedy and permanent cure, whether the patient is a moderate drinker or an alcoholic wreck. Thousands of drunkards have been made temperate men who have taken the Golden Specific in their coffee without their knowledge, and to-day believe they quit drinking of their own free-will. No harmful results from its administration. Send for circular and full particulars. Address in confidence GOLDEN SPECIFIC CO., 185 Race St., Cincinnati, Ohio.

—The first symptom of a mind in health is rest of heart and pleasure felt at home.

Enjoy Life.

What a truly beautiful world we live in! Natures gives us grandeur of mountains, glens and oceans, and thousands of enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving up disheartened, discouraged and worn out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that *Green's August Flower* will make them free from disease, as when born. Dyspepsia and liver complaint are the direct causes of seventy-five per cent. of such maladies as biliousness, indigestion, sick headache, costiveness, nervous prostration, dizziness of the head, palpitation of the heart and other distressing symptoms. Three doses of *August Flower* will prove its wonderful effect. Sample bottles 10 cents. Try it.

—We may chose a life of sin with all its consequences, but we cannot choose a life of sin without its consequences.

A Lady's Perfect Companion.

PAINLESS CHILDBIRTH, a new book by Dr John Dye, one of New York's most skillful physicians, shows that pain is not necessary in Childbirth but results from causes easily understood and overcome. It clearly proves that any woman may become a mother without suffering any pain whatever. It also tells how to overcome and prevent morning sickness, swelled limbs, and all other evils attending pregnancy. It is reliable and highly endorsed by physicians everywhere as the wife's true private companion. Cut this out: it will save you great pain, and possibly your life. Send two cent stamp for descriptive circulars, testimonials and confidential letter sent in sealed envelop. Address FRANK THOMAS & Co., Publishers, Baltimore, Maryland.
