Mrs. Christie is said to have been a woman possessing all the Christian virtues. She was a consistent member of the Muddycreek Presbyterian Church for over forty years and had the interest of the church greatly at heart. She was a sister of John R. McJunkin, Esq., of Cley twp., and of the late James T. McJunkin, Esq., of this place. She leayes her husband and three sons and a daughter to mourn their great loss.

Care for the Children

Children feel the debility of the changing seasons, even more than adults, and they become cross, peevish, and uncontrollable. The blood should be cleansed and the system invigorated by the use of Hood's Sarsaparilla. "Last Spring my two children were vaccinated. Soon after, they broke all out with running sores, so dreadful I thought I should lose them. Hood's Sarsaparilla cured them empletely; and they have been healthy ever since. I do feel that Hood's Sarsaparilla saved my children to me." Mrs. C. L. THOMPSON, West Warren, Mass.

Purify the Blood

Hood's Sarsaparilla is characterized by three peculiarities: 1st, the combination of remedial agents; 2d, the proportion; 3d, the process of securing the active medicinal qualities. The result is a medicine of unusual strength, effecting cures hitherto unknown. Send for book containing additional evidence. "Hood's Sarsaparilla tones up my system, purifies my blood, sharpens my appetite, and seems to make me over." J. P. THOMPSON, Register of Deeds, Lowell, Mass.
"Hood's Sarsaparilla beats all others, and "Hood's Sarsaparilla beats all others, and is worth its weight in gold." I. BARRINGTON, 130 Bank Street, New York City.
