THE CITIZEN. MISCELLANEOUS.

A 12-year old Girl to Hang. At Barwell Court, South Carolina, last week, Judge Hudson sentenced Alexy Cherry, a colored girl, 13 years of age, to be hanged on the third Friday in September for the murder of the infant of Mr. Amos Williams, of Allendale, in Barwell county.

The young murderer was hired by her mother, much against her will, as nurse to Mr. Williams' baby. She attended to her duties in so negligent a manner that she had to be constantly scolded. After a scolding one day she was overheard muttering herself that she wasn't going to get together with that baby much more.

About the Girls. No sane girl ever burns a love letter. The young lady who pounds the piano has a disagreeable bang.

Who ever saw a stutering woman? It appears that nature has kindly given to the weaker sex a weapon of defense that is seldom, if ever impaired.

Consumption Can be Cured! Not by any secret remedy, but by proper, healthful exercise, and the nutritious use of Scott's Emulsion of Pure Cod Liver Oil and Hypophosphites.

In Brief, And To The Point. Dyspepsia is dreadful. Disordered liver is misery. Indigestion is a foe to good nature.

There isn't as much as a chalk line between Henry Georgeism and Socialism, and Anarchism is Socialism gone to seed.

Romance of a Diamond Ring.

Giles Busby, a Toledo fishmonger, was cleaning a whitish last week, and in the larger intestines of the fish he found a diamond ring. The ring had engraved upon its inner surface 'J. A. B. Chicago, '93.' Busby forwarded the ring to the chief of police in that city.

Miss Sadies McSuffin was rigged out as pretty as a red and green wig with two wedding veils, and made more meshes than a fish net. She had on a blue dress with a red flap at the side, and a puffy something or other on the other side.

Little Birdie Bloom was the dearest darling of all, in white togery of some sort, looped up in spots. She wore hand painted gloves and slippers and passymony jewelry.

It is presumed that by this time the college commencements have all commenced—a learned expression which means that they have all ended.

—A young man who was placed in temporary charge of a newspaper in Iowa, Kansas, published a paragraph last week accusing a local druggist of dishonest business methods.

—The Ohio Labor Party has denounced speculation in the necessities of life. This is right. Any attempt to raise the price of beer or decrease the size of the glasses should be frowned down.
