Fire Clay.

We have been shown, and have a pecimen at our office, of a fire clay hat is found on the farm of Mr. Anthony Thompson, of Centre twp. this county. It is so pure as to be per fectly free from sand, and is the kind preferred in all furnaces requiring great heat. Being hard as iron, and at the same time soft, it will not crumble, and is used for fire proof brick and for many other purposes A mine has been opened on the and some of the fire clay taken to and used in the Sharon, Pa., iron works, The farm of Mr. Thompson is likely to prove a very valuable one on ac count of this stone.

Care for the Children

Children feel the debility of the changing seasons, even more than adults, and they be invigorated by the use of Hood's Sarsaparilla "Last Spring my two children were vaccinated. Soon after, they broke all out with run-ning sores, so dreadful I thought I should lose them. Hood's Sarsaparilla cured them com-pletely; and they have been healthy ever since. I do feel that Hood's Sarsaparilla saved my children to me." Mrs. C. L. Thompson, West Warren, Mass.

Purify the Blood

Hood's Sarsaparilla is characterized by three peculiarities: 1st, the combination of femedial agents; 2d, the proportion; 3d, the process of securing the active medicinal qualities. The result is a medicine of unusual strength, effecting cures hitherto unknown. Send for book containing additional evidence "Hood's Sarsaparilla tones up my system, purifies my blood, sharpens my appetite, and seems to make me over." J. P. Thompson, Register of Deeds, Lowell, Mass.

"Hood's Sarsaparilla beats all others, and is worth its weight in gold." I. Barrington, 130 Bank Street, New York City.
