MISCELLANEOUS.

Shipping Cats to a Rat-Stricken Town.

It is stated that the town of Hugo, Col., is overrun with rats. J. M. Humphrey of Wichita, Kan., recently received a letter from there stating that rats have collected in the town by the million and asking him to gather all the cats he can find and express them there. As a result Humphrey collected from owners who were only too glad to give them away 250 cats in his own town, put them in cages, and expressed them to Hugo. The next day he went to Mulvane, 20 miles distant, and there collected 300 tom cats, and expressed them also. He intends to finish out 1000 cats and then await further orders. The cold weather caused the rats to come in from the prairie in great numbers, and they are playing sad havoc with merchandise of all kinds.

—By the improved method of welding by electricity a broken bar of metal can be easily reunited, or bars of different metals can be welded together. Those metals which previously resisted welding most strenously are now joined with ease.

—Prominent Clergymen, Physicians, and all classes of citizens are unanimous in the indorsement of Salvation Oil, the great cure for rheumatism.

No greater guarantee of the excellence of Dr. Bull's Cough Syrup could be furnished than that it is recommended by all the leading druggists.

—It is stated by a Western paper that a covered farm-wagon recently passed through a Nebraska town on its way east, containing the owner, his wife and five children, a live buffalo, an antelope, a pair of wolves, a prairie foxes and a box of white rats, with other articles.

MAKE NO MISTAKE.—If you have made up your mind to buy Hood's Sarsaparilla do not be induced to take any other. Hood's Sarsaparilla is a peculiar medicine, possessing by virtue of its peculiar combination, proportion and preparation, curative power superior to any other article of the kind before the people. For all affections arising from impure blood or low state of the system it is unequalled. Be sure to get Hood's.

—An ingenious cigar manufacturer is making excellent imported Havana cigars out of paper.

—After using Ely's Cream Balm two months I was surprised and delighted to find that the right nostril which was closed up entirely for over twenty years, was open and free as the other, and can use it now as I could not do for many years. I feel very thankful.—R. H. Cressengham, 275 18th St. Brooklyn.

From the Pastor of the Olivet Baptist Church Philadelphia, Pa.' I was so much troubled with catarrh it seriously affected my voice. One bottle of Ely's Cream Balm did the work. My voice is fully restored.—B. F. Liepsner.

—Major Pond says that Doctor Parkers eulogy of Mr. Beecher was not a labor of love, but that Dr. P. was paid $125 for it.

Many People refuse to take Cod

Liver Oil on account of its unpleasant taste. This difficulty has been overcome in Scott's Emulsion of Cod Liver Oil with Hypophosphites. It being as palatable as milk, and the most valuable remedy known for the treatment of Consumption, Scrofula and Bronchitis. Physicians report our little patients take it with pleasure. Try Scott's Emulsion and be convinced.

What Am I To Do?

The symptoms of Biliousness are unhappily but too well known. They differ in different individuals to some extent. A Bilious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events.

The digestive system is wholly out of order and Diarrhea or Constipation may be a symptom or the two may alternate. There are often Hemerrhoids or even loss of blood. There may be giddiness and often beadache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effect a cure try *Green's August Flower* costs but a trifle and thousands attest its efficacy.

—Egypt has 825,000 acres of land under cotton cultivation. The European consumption of Egyptian cotton is 425,000 bales.

Drunkenness or the Liquor Habit Positively Cured by administering Dr. Haines' Golden Specific.

It can be given in a cup of coffee or tea without the knowledge of the person taking it; is absolutely harmless and will effect a permanent and speedy cure, whether the patient is a moderate drinker or an alcoholic wreck. Thousands of drunkards have been made temperate men who have taken the Golden Specific in their coffee without their knowledge, and to-day believe they quit drinking of their own free-will. IT NEVER FAILS. The system once impregnated with the Specific it becomes an utter impossibility for the liquor appetite to exist. For full particulars, address GOLDEN SPECIFIC CO., 185 Race St., Cincinnati, Ohio.

—Manufacturers, large and small, thoughout the Ohio valley are more or less troubled on account of the shortage of coal. Several large brickyards have shut down because of the high price of fuel.

—It is said that in Chicago the moment a new baby appears in the "upper circles" engraved cards are sent out announcing the important arrival. In order that there may be no delay in this announcement, two sets of cards are prepared, one bearing a feminine name, the other a masculine.

—A yellow wedding is one of the latest freaks. The bridesmaids are in yellow, the decorations yellow, the laces yellow, the flowers yellow—everything, in short, but the bride, who is of course, all white, wears that jaundiced hue. The effect is trying and more suggestive of a rousing bilious attack than the gentle, amorous scene a fashionable marriage ceremony seeks to be. However, anything for a change.

—It would be interesting to know how many thousands of workmen make a habit of coming to this country in the spring and returning to their homes in the fall. The cheap rates of passage from Great Britain, as well as from South European ports are stimulating travel at this time. The fact that there is no work here for from four to five months each year makes it cheaper for thousands to pay out $40 or $50 for to and fro passage money rather than live here at a monthly cost of from $20 to $30 at least.

ASKS YOUR
Attention!

While other merchants are singing their own praises, we cause our customers to acknowledge that our method of dealing is the best, our goods second to none, in fact superior to many usually kept and sold as THE BEST. "Butler and surrounding country needed such a store as this," is the general encouraging words our customers give us, "and people will be fast finding it out too." We keep good and well made goods only. Our cheapest garment is sewed with first-class thread, trimmed, lined and made up in a substantial manner. Our medium and better grades take rank with any Custom-made in the way of fitting and make up, while our FINE DRESS SUITS must be seen to be appreciated. OUR PRICES are decidedly the lowest. In short we desire to state that we keep a full line of

Mens', Youths', Boys' and Childrens' Clothing

of all styles and grades. Every garment sold under a positive guarantee that it must be as represented or money refunded. HATS, CAPS, UNDERWEAR, HOSIERY, etc., in great variety. The latest styles of everything pertaining to a first class clothing store always on hand. The true fitting white and fancy shirts always on hand.

We ask those who have not as yet patronized our store to give us a fair trial. We have no doubt of the ultimate result. We invite one and all to call on us before purchasing their Clothes, Underwear or Hats elsewhere.

Remember, no misrepresentation, be he judge or no judge of goods, at
