RITTER & RALSTON'S

Comes in all the different Straws and It admits of many styles of trimming and styles and trimmings. We have a very large stock just now but when a thing catches the eye and fancy of the public as it has, it is bound to go. Remember our bargains cannot be duplicated in two weeks.

be duplicated in two weeks.

We've opened, this week, over a hundred different shapes, with all the new trimmings, direct from the largest house in America. Among
them are the "K.M. Q." and the "Bunny." matchless." There seems to be an impression that because we are patronized by the fashionable people, we are patronized by the fashionable people, we may effor to care for those whose pocket books are limited. This is a great mistake, obliged, by having the custom of the fashionable women, to make special efforts to hem, yet we think we can suit the faste and means of anyone, however odd the taste,

Miss M. H. Gilkey, New Building, No. 62'S, Main St. THE LEADING MILLINER

Give us Your Attention

You've heard of the CHAMPION Mowers, Reapers and Binders? Then u know they're the heat in the world. We've got them so cheap that you on't heattate ten minutes if you come around. You know the merits of e Perry Spring Tooth Harrow and the imitations that are on the market.

Suppose you didn't know that we sell more Novelty Pumps, fron force, B. B. B., than all the hardware firms of Butler put together. We do

General Hardware, Wire Screens, Patent Churns, etc. Our stock is not received in the county and we cannot be undersold.

JACKSON & MITCHELL, Butler, Pangaga

What You Eat!

Is the most important consideration of your life, and much of our good health is due to the careful and conscientious grocer. We buy the best in the market, select all our goods with the greatest care, and claim to have as good a stock of Greceries as can be found anywhere.

We want your trade and invite you to try our Flours, Sugars, Coffees, Canned Fruits, Dried Fruits, Spices, Hams, Canned Meats, Crackers, Confectioneries, Tropical Fruits,

Nuts, or anything in our store room.

Country Produce a specialty, and all new fruits and vegetables in season

In our China Hall, in the second story of our building, we have the larges- stock of Chinaware, Glassware, Crockery, Lamps and Fancy Goods in the town.

The Picket Guard.

One of the most touching poems ed, and against the people that are of our civil war was the one which gathered out of the nations, which Brooks, alias W. H. L. Maxwell, a "Look here, Jack! you are like some old bachelor who has been jitted by one woman, and goes about declaring all women are false."

of our civil war was the one which we give below. When first printed it brought tears to many eyes, and few will read it unmoved even after the large of a quarter of a century few will read it upmoved even after the lapse of a quarter of a century.

All quiet along the Potomac, they say, Except now and then a stray picket Is shot, as he walks on his beat to and fro.

Will not count in the news of the battle: Not an officer lost-only one of the men Moaning out, all alone, the death rattle. All quiet along the Potomac to-night.

Where the soldiers he peacefully dream Their tents in the rays of the clear autumn

Or the light of the watch-fire gleaming. A tremulous sigh as the gentle night wind Through the torest leaves softly creeping While stars up above, with their glitterin

Keep guard-for the army is sleeping. There's only the sound of the lone sentry's

As he tramps from the rocks to the fount-And he thinks of two, in the low trundle

Far away in the cot on the mountain. His musket talls slack-his face, dark and Grown gentle, with tender memories.

As he mutters a prayer for the childre asleep— For their mother—may heaven defend her The moon seems to shine just as brightly a That night when the love yet unspoken

Leaped up to her lips, when low murmure vows Were pledged, to be ever unbroken. Then drawing his sleeve across his eyes He dashes off tears that are welling: And gathers his gun closer up his place, As if to keep down the heart swelli He passes the fountain, the blasted pine tree The footstep is lagging and weary;

of light,
Toward the shade of the forest so dreary. Hark! was it the night wind that rustled the

Yet onward he goes, through the broad beli

leaves?
Was it moonlight so wondrously flashing t looked like a rifle-Ah! Mary, good-by! And the life blood is ebbing and plashing All quiet along the Potomae to-night! No sound save the rush of the river;

While soft falls the dew on the face of the The picket's off duty forever!

as is Wilhelm II. .

The Rev Watson J Young. Dell Roy, O, writes to the Pittsburg Com-Gazette as follows: For years Europe has been arming. Mightier vessels of war, more powerful cannons and rifles, more deadly explosives, and vaster armies have succeeded one another with wonder.

The invention of man finds its The magazine is fully charged. Will represented as withstanding the great men tell no tales, murder is a specter the explosion follow? Yes, the train come at any time.
So long as the old Kaiser William was at the head of affairs there was comparatively little danger, although "England was a Nation of shopkeephis great age gave a feeling of insecurity to Europe. But his death, fol-lowed by that of the pacific Frederick III. places at the head of Germany the fiery and unscrupulous William e hates his own mother because

she is English, and who as cordially hates France, and who will lose no opportunities in humbling those nations. The triple alliance entered into between Germany, Austria and sue his machinations And to the student of prophecy there is a significance in the visit of the young Kaiser to Russia at the present juncture -which visit is to be followed by visits to Austria and Italy. When these visits are accomplished it will most probably be found that the triple alliance is strengthened by the new addition of a member. Russia, and that there is a confederacy formed, offensive and defensive, which can bring into the field three millions of trained soldiers, commanded by the of Prussia towards the west, Russia began. best officers in Europe, armed with towards the east and south, and Austhe latest weapons of war, and intent tria in Servia. in Montenegro and on a career of conquest, which is unexampled in modern times. Such an alliance must be effected before all prophecy is fulfilled, and the sieges of the times point to a speedy fiulfill-ment of the prophecy found in Ezekiel 38th and 39th chapters. The 38th

chapter, 2-13, r. v. gives the actors in the scene EZEKIEL'S PROPHECY.

"Son of man, set thy face toward Gog, of the land of Magog, the Prince of Rosh, Meshech, and Tubal, and prophesy against him, and say: Thus saith the Lord God. Behold I am against thee, O, Gog, Prince of Rosh Meshech, and Tubal, and I will trun thee about, and put hooks into thy jaws, and will bring thee forth, and all thine army, borses and borsemen, all of them clothed in full armor, great company with buckler and shield, all of them handling swords. Persian, Cush, and Pict, with them; all of them with shield and belmet Gomer, and all his hordes. The bouse of Togarmah in the uttermost parts of the North, and all his bordes, many people with thee Be thou prepared; yea, prepare thyself, thou and all thy companies that are assembied unto thee, and be thou a guard

(or commander) unto them.' After many days thou shalt be vis ited. In the latter years thou shalt come into the land that is brought back from the sword, that is gathermountains of Israel which have been a continual waste; but it is brought forth out of the peoples, and they shall dwell securely, all of them And thou shalt ascend, thou shalt come like a storm, thou shalt be like a cloud to cover the land, thou and all thy hordes and many people with thee. Thus saith the Lord God. It shall come to pass in that day that things shall come into thy mind and thou shalt devise an evil device, and thon shalt say: I will go up to the land of anwalled villages; I will go to them that are at quiet, that dwell securely, all of them dwelling without that had only the date to change. walls, and having neither bars nor Compositors in Toronto average \$15 gates, to take the spoil and to take A Famous Murder Case.

Letter from Canada.

CAMP SUTTON, Aug. 6, 1888.

It will be two weeks to-morrow northwestern shore of Lake Muskoko A more delightful place to spend a to find. Our party is somewhat larger than it was last year There are seven counties represent-

man Weigle from Sunbury and Rev W E. Oller and your correspondent from Batler. There is one physician in speaking, the camp is divided The are seven Republicans, two Demo-crats, eight Prohibitionists and two doubtful. While I mention the va rious line along which we are divided, it would be difficult to find 19 persons any where thrown together

as we are, who are more harmoniou and congenial in tastes and pursuits We have our discussions on religious social and political topics, in which there is a free interchange of opinion. and often an animated debate, but the best of feeling prevails, and we are only sharpened and benefited by mutual contact. We are all here

with a common purpose in view-to obtain rest and recuperation for the labors of the coming year, and if whetted appetites, and sunburnt faces, buoyant spirits, and developing When I got ready to sign I muscles are an evidence, it is certain that the end in view is being attained. Our camp-life is by no means as

monotonous and uninteresting as pels purchasers of woolens here to might be imagined. An early breakfast having been enjoyed as only can be by those who have good appetites, a suit of clothes which costs the other than the suit of clothes which costs the other than the suit of clothes which costs the other than the suit of clothes which costs the other than the suit of clothes which costs the other than the suit of clothes which costs the other than the suit of clothes which costs the other than the suit of clothes which costs the other than the suit of clothes which costs the other than the suit of clothes which costs the suit of cl number of expeditions are set on foot in this country is four dollars, theresome by water to catch black bass fore the suit could be bought for six and blue or gray pickerel, or a row over the lake, some by land to visit falsity of this statement has been neighboring lakes or explore the clearly shown by the Cleveland adover the lake, some by land to visit dense forests. The afternoon is usually spent in reading, or some light creation. After supper nearly very one goes out to fish, returning just as the long twilight is darkening into night. Then there is the gathering around the camp fire to recount

singing of songs, and ere we lie down to rest the bowing together in prayer to God with the starry heavens above us and the waters of the lake rippling at our feet. And then such refresh ing sleep. Our beds are not the softest and many of the comforts and conveniences of nome are wanting

club There is no doubt that if we ceut ad valorem, or \$1.50 a pair on pursued it diligently as an occupation blankets weighing four pounds and this catch could be more than doub worth \$2 25. In other word- the The envious man's face grows led But recognizing the fact that to tariff, instead of enhancing the price destroy the fish simply for sport by the amount of duty, or \$1.50, in

> for while living so close to the lake, turing interests to save \$1.50 on they are so busily engaged wrestling every \$2.25 worth of woolens we buy, that they have little time to spend in fishing. The natives, so far as we have become acquainted with them are a thrifty, hard-working, intelligent set of people. Their life is by no means an easy one, and we wonder that more of them do not seek homes in the far west under the soul or derived the will pay to do this and send abroad for what we want in order to get a discount of 14 per cent on our purchases.

The Ball in 1888.

The celebrated ball of 1840 bas en rebuilt for this campaign, at Cumberland, Marvland, where the original one of 1840 was constructed It was taken to New York and appeared in the grand procession there last week in bonor of James G. Blaine, on his arrival home.

On it are written the following

To make our coars and pants. We do not hanker after wool

From England or France. Ben fought to keep the starry flag, Proud poised the Union over, With dauntless heart he did his part, But where, oh, where was Grover

Our laboring men have naught to gain When European merchandis

Throttles American enterprise. Old Allegany in 1840 Started the ball for Harrison

'88, as they did then, We roll it on for gallant Be O Cleveland, you must face defeat,

You cannot beat a candidate Who hails from Indiana. Keep the ball in motion

The spirit of our men is up From rocky hills to ocean. Cleveland with his free-trade notion Has set the country in commotion, The people will at next election Vote for Harrison and protection

This ball we roll. May times improve

Only 14 Per Cent. The Democratic argument for free wool and free woolens proceeds upon the assumption that the tariff comdollars if there were no duty. ministration in the famous blanket purchase referred to by Major Mc-Kinley in his speech upon the bill. The government pays no duty on what it imports, and is at liberty to patronize foreigners just as individuals would if we had free trade.

the adventures, the gains and perhaps the loses of the day, there are the discussions on a variety of topics, the 2,000 pairs of blankets of a certain weight and quality, and instead of following the Republicans and accept-ingthe lowest American bid, thus furnishing employment to American operatives and capitalists, it went abroad and bought of a foreigner, because it could buy cheaper there. The American offer was \$2.56 each but there is something in the sur roundings that has power to sooth the nerves, and woo to quietre the conting rest.

The American ouer was \$2.00 calculated to 2 000 pairs of four pound blank-roundings that has power to sooth the nerves, and woo to quietre the calculated the continuous statement of the contin The fishing has been quite as good then in price between a pair of fou as last reason. The first day we pound blanke su free trade England spent in camp we caught 118 pounds and here is 31 cents or 14 per cent and thus far over 600 pounds have Now the duty on blankets is eigh been taken by the members of the teen cents a bound and thirty-five per wold be wrong, we only care to catch creases it only 31 cents, or about onesufficient to supply our table and fifth of the duty, and the question is The settlers are glad to get the fish our wool growing and wool manufac-

The annual loss to productive industries in the United States caused by insects is estimated it \$150,000, more popular as a summer resort, many cottages are seen on the islands man and another sort of earth occupi man and another sort of earth occupi ers. They are smaller, but if they there the white tents of the campers. can whip us, have undoubtedly as Canada, but our country is pretty we have. As civilization advances, well represented. Beaumaris is well new insects make their appearknown as the site of the Solid Com- ance, marching sometimes eastward fort Camp; to which Butler annually but generally westward. There are sends a delegation. There few, if any, forms of vegetation that sends a delegation. There are a number of cottages and several tents on Shaw's island about $3\frac{1}{2}$ milee foliage or fruit. The loss to the cottages are the sendence of t ton crop is estimated at \$15,000,000 ed by citizens of Toronto, who spend a year, while that to the apple crop the summer months on this beautiful is not much less, and that to the pospot. We have joined with them for tato crop at least one-half as much. two Sabbaths in our preaching serv. But the estimate is not a fair one un-ice. It is a new experience for most til into the loss is counted the time

remain and take tea with them on last Sabbath evening, and then concluded the day's service with a some cause for the unprecedented crop of

Where is His Protection.

bill affords American industries & us, and the following Tuesday we protection of 42 per cent We can't will strike our tents, and return to dispute it; here are the figures: Rice, 100 per cent; sugar, 68; woot, 0; po-tatoes, 0: total 168. Divide by four and we have 42 per cent as an average. But, by the way, where does the New England farmer come in for the 42 per cent protection?-Canasa

Let go Villian.

"Now, Henry, if you don't let me go I'll scream. I'm going in the house You have no business putting your arm around my waist."
"What will you scream!"

"I'll scream 'unhand me villian."

"No, you don't want to do anything like that. It wouldn't be pro "I think it would be eminently pro-
