Storm Proverbs. When oxen or sheep collect together as if they were seeking shelter, a storm may be expected. Domestic animals stand with their heads from the coming storm.
Foxes barking at night indicate

Peafowls utter loud cries before a storm and select a low perch. unders indicate approaching storm.
When a heavy cloud comes up from the southwest and seems to settle back again, look out for a storm. Red clouds at sunrise indicate

A long strip of clouds called a salnon or Noah's Ark, east and west, is a sign of stormy weather, but when it extends north and south it is a sign of dry weather. North and South the sign of drouth,

East and West the sigh of blast. If the clouds be of different neights, the sky being grayish and dirty blue, with hardly any wind stirring, the wind, however, changing from west to south, or sometimes to southeast, without preceptibly increasing in

force expect a storm.

The aurora, when very bright, indicates a storm. Coals becoming alternately bight and dim indicate approaching storm. Fire always burns brighter and throws more heat just before a storm, and is hotter during a storm. It is said that blacksmiths select a stormy day in which to perform

Soot burning on back of chimney indicates storm.

Distant sounds heard with distinctness during the day, indicates rain. Sound traveling far and wide

work that requires evtra heat.

A Stormy day will betide. The weather usually moderates before a storm.

How to Become Naturalized.

A boy who came here under the age of 18 years, after he has become of age and after a residence here of five years, can go before a judge of a court of record and procure his naturalization papers, and at once become He must bowever, produce one citizen who can swear that the applicant came here under the age of 18 years and has lived in the United States not less than five pounds. rears, and in the State not less than ne year. Where the applicant was pounds. over 18 years when he came to this country, he must declare his inten- years. ion of becoming a citizen, and a resilence of five years in all, and of at in 1598.

of intention, is necessary before he

Brazilian Anacondas.

Brazilian Anacondas.

Two large anacondas were discovered in the hold of the barkentine Emma R. Smith, which is now discharging a cargo of phosphate rock at South Camden, N. J. Each of the reptiles measures over thitteen feet long. The captain of the vessel is unable to account for the snakes being abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging abourd of the ship, and thinks that they might have reached the rigging about the might have reached the recance cannoe ampaign of 1840 erec Townst attention EXCELSION MOSIERY CO. ccded to be the home of the anaconda canoe" tonic bitters have secured a and the boa constrictor. The rep. ceded to be the home of the anaconda and the boa constrictor. The reptiles have thus far shown no inclination to interfere with the crew or the longshoremen on the vessel. The captain will probably dispose of the snakes to some museum snake charm-

Be Honest.

In almost every paper we pick up we find an item explaining how "one of our honest farmers" has been swindled by two or three three-card monte sharps. It might be a good lesson to the rest of the community in which Dollar. the honest farmer, who plays threecard monte, lives, to arrest him for gambling and allow the courts to determine whether the gambler who takes his chances and

nes out the loser is any less a gambler than the winner. The man who been discharged for going into a tavbets on a horse race, three aces or three card monte takes his chances, and when he puts up his money expects to be the winner, and only be-comes the innocent granger when be gets left. Be honest if you can, if not, don't advertise it .- Conneaut-

A Woman 140 Years Old.

ville Courier.

Probably in no country are examples of longevity so numerous and so striking as Russia. Almost every day the newspapers contain well authenticated accounts of women and nen who took part in, and have a vivid recollection of, the most noteworthy events of the last quarter of the the razors were in good condition. eighteenth century. The latest of these instances is that of a woman who is only forty years younger than the Patriarch Isaac when he died. This human relic of the past, who celebrated her 140th birthday some veeks ago, lived exclusively on potaoes and milk. She was at all times a strict teetotaleer, She is still lively, brisk and cheerful, and can read without spectacles.

Don't give up, my poor, sick friend;
While there's life there's hope, 'tis said;
Sicker persons often mend;
Time to give up when you're dead.
Purer, richer blood you need;
Strength and tone your system give;
This advice be wise and heed—
Take the G, M. D. and live.

Those letters stand for "Golden Medical Discovery" (Dr. Pierce's), the great building-up, purifying, and disease-expelling remedy of the age. Don't hawk, hawk, blow, spit and disgust every body with your offensive breath, but use Dr. Sage's Catarrh Remedy and end it.

To Be Taken When Cool.

The following story was thrown at us yesterday: A farmer while work-ing near the creek at the poor farm saw a weasel catch a rat. The weasel attempted to swim across the creek, when a pickerel grabbed the weasel, and the rat escaped. Spring this on the children in the cool of day.—Ex.

The Homeliest Man in Butler As well as the handsomest, and others are invited to call on and druggist and get free a trial bottle of Kemp's Balsam for the Throat and Lungs, a remedy that is selling en tirely upon its merits and is guaranteed to cure and relieve all Chronic and Acute Coughs, Asthma, Bronchitis and Consumption. Price 50 conts and \$1.

—In 1861 Eugland imported 150, 000,000 pounds of wool, and 615,000, 000 pounds two years ago.

Labor's Interest is the Country's.

The wealthy importers who are argely Free Traders because it would inevitably increase their importations and profits for a time at least would do well to reflect upon the pa-triotic sentiments uttered by Mr. H. K. Thurber, fof the great importing firm of Thurber, Whyland & Co., in his recent letter to the wage earners of the United States, Mr. Thurber

"Free Trade is a very pretty theo ry, but it is mainly professional men who advocate it, and it is gratifying to some to preach that all the world are brothers' and that consequently we should not protect the labor of own neighbors, our own citizens, who build our towns into villages, our villages into cities, who consum our own raw products. Free Trade

The friendly attitude toward the 5:00 and 8:00 p. m. labor movement which has been manifested by the Thurbers for many years
