SHOES AND SLIPPERS
AT
BICKEL'S

Every one knows that this has been a very poor summer to sell summer goods. Almost every merchant is watching and waiting for summer to open up right, so they can get rid of some of their summer goods.

Make a Noise in Butler.
And it is all to be about shoes and slippers. I am over-stocked and don't deny it, but I won't be that way long. I am going to sell boots, shoes and slippers during the month of July at less than it cost to make them.

WHY HOLD THE GOODS?
There is no sense in carrying them over until next season, they get all shop worn and the styles change, and if I should carry them over I might have to sell them at a great loss next year than now.

Now is the Time and They Must Go.
I want the room and I want the money, and I don't want the goods, do you understand that? It means simply this, the goods are here and must be sold, and if you come you can buy them, as no reasonable offer will be refused.

THIS GREAT MID-SUMMER SALE.
I will last for a short time, and I want to see my old as well as new customers take the advantage of it. I can only quote a few prices, but will guarantee every article named to be from 25 to 33 per cent under actual value.

Behold The Slaughter!
Ladies fine Don. Kid Buttons, Public Coat, Don. Kid, Grain, Every day shoes, Slippers.

Its Awful Price List but I Am Determined to Make Them Go.
Men's fine Calf Shoes, Buff Shoes, Calf Boots, Mens Working Shoes, 75, 90 and \$1.

BOYS AND YOUTHS SHOES
Are selling at extremely low prices and childrens and misses shoes were never sold lower, but remember this, the time is limited on this sale.
