the factories in other parts of the world The material is used for various purpose It has taken the place of silver leaf in sign painting, and in that particular has prove -The Hudson River tunnel, designed

wide body of water that separates Nev York from Jersey City, is again in proces of construction. Some twenty years have elapsed since it was proposed in its presen shape by the eminent engineer, Mr. D. C. Haskin. It is the property of the Hudson Tunnel Railroad Company, a corporation organized under general laws of the States f New Jersey and New York, but which aws were passed for its benefit.

-"Would you take my business off in hands, accept all responsibilities, and get as your compensation your board, clothes and lodging?" inquired a successful business man of a laborer. "You bet I ouldn't," was the reply of the man whom the question was asked. "Well," said the merchant, "that's all I'm getting out of it." And yet some people who are reasonably well-to-do are envying those who are considered rich.

-A gentleman of Smethport had a pe liar experience some evenings sinc While he was glancing over some news-papers in his easy chair at home, he heard ise in the room and upon looking in he direction saw not a "stately raven a black and white animal resembling at. The gentleman was greatly alarme nd after much manœuvering, in a very mble manner succeeded in getting the unklet to depart, without ruining h

known in this country, and the population of the United States consisted of 12,000,00 cople. To-day we operate upward of 165 00 miles of railroad, and our population as increased to 60,000,000. Sixty year o the aggregate wealth of the Unite tates was less than \$1,000,000,000; at pre nt it is estimated at \$56,000,000,000. Over our 165,000 miles of railroad there was ca ied last year 475,00,000 people, and 600 00,000 tons of freight were transporte Upon these lines are engaged 1,000,000 nployees. Their equipment consists 30,000 locomotives, 21,000 passenger ea 7,000 baggage cars, and 1,000,000 freight cars. The capital invested in constructi

and equipment amounts to \$8,000,000,000 and the yearly disbursements for labor and pplies exceed \$600,000,000. -The returns from the Third Congres ional district of Louisana give Mr. Price

date was credited with 12,500 majority although the party majority in 1886 was but 3,000. According to the returns, two parishes that had over 2,400 Republic votes in 1886 cast barely 13 votes of tha kind in 1888. It is evident from the official figures the elections in that dis trict have come to be the merest farce and the one held last week was no exception to the rule. The Democratic "regulators" who prevented the holding of Republican meetings no doubt took care that Republican ballets should not be polled or counted to any alarming extent. It re PETER KRAMER, Prop'r. mains for Congress to devise some efficient means of securing fair Congressional ele nstitutions are to be maintained

RAILROAD TIME TABLES.

pened that near the end of the meal there was a plate near the Queen with a single piece of bread on it, which her majesty reached over and helped herself to, when the child pointed her finger at her and to the horror of all present, who expected nothing less than instant decapitation from the darling infant, said: "Piggy-piggy-pig" The Queen with great dignity and tac: said: "Quite right, my child; nobody except a queen should ever take the last piece of bread on the
