that his august master, the Shah of Persia, was there ahead of him, enjoying the

--- IS THE PLACE TO GO. --

Our way of doing business is the secret of our large and ncreasing shoe trade.

We have the same price to all. The people don't want to help pay for others shoes in a house that has no fixed price on goods, in other words, you don't want to pay \$2.50 for a shoe your neighbor pays \$2 for. We pay no rent at the cost of our customers' shoe bills and still better our capital invested in our vast amount of Boots and Shoes is not borrowed and no interest to pay at the expense of our customers.

We buy direct from the manufacturers for cash, not from jobbers or middle men, as some do, and thus save all our customers the jobber's profit. We carry the largest stock in Butler county, our prices are the lowest and the people know they can depend that all

our footwear is just as represented. We carry an immense stock in Ladies', Misses' and Children's fine shoes, all sizes, widths and shapes. Old Ladies warm shoes and slippers. Misses and Children's heavy shoes in kip, calf and veal, all solid.

Mens', Boys' and Youtns' kip boots and shoes, made for service, our line of fine shoes cannot be surpassed. Mens' box toe boots, 4 soles; Men's low instep boots, hand made, We carry the largest stock of rubbers and arctics.

Come and see us, it won't take you long to be convinced that it pays to trade with a house that does the leading trade, and where you pay for just what you buy and no more and get value received every time.
