maids on its limited trains to attend to the

plain old iron shutters! PRESIDENT HARRISON has appointed Judge David J. Brewer of Kansas, to fill the vacancy in the United States Supreme Court. Judge Brewer is a nephew of Jus-tice Field; he has been Judge of the Cir-cuit that includes the states of Minnesota. Iowa, Nebraska, Missouri and Kansas; and is said to have the natural ability, legal is said to have the natural ability, legal

In the first of the matrix accords to the same little town in Ohios and his dishonesty will ruin him financial.
 Wr. Wood came to this town with his family, a wife and two children, some months ago, and was living in the Schultz house on S. Washington St. He had foilowed the oil country for fifteen years, was possed to Canada last week, taking nearly \$100,000 of the Sergeant trusted his cashier, as they were both from the same little town in Ohio, and his dishonesty will ruin him financial.
 Wr. Leedom, who is a democrat, was about turning his office over to his success.

Iv. Mr. Leedom, who is a democrat, was ebout turning his office over to his success-or, when the embezzlement was discover-ed. THE Philadelphia City Item of recent date, is of the opinion that "Hon. Chas. W. Stone will be the next Governor of Pennsylvania." "The people (it says) will boss this job." That "the people should boss the job"

would seem the one thing necessary in reard to the next Republican nomination

for Governor,—Although the Republican majority in the State is large yet it would be unsafe to force an unpopular candidate on the party. The best and most worthy can-didate should be our next nominee for

NEIGHBORHOOD NOTES. The Nitro-Glycerine Horror. The first Farmer's Institute of Venang On Tuesday morning of this week Jame . Wood and William Madill drove out to the store-house of The Butler Torpedo Co., located on the Matthew Brown farm, about

The first Farmer's Institute of Venango county, will convene in the Court House at Franklin, on Tuesday, January 14; under the anspices of the State Board of Agriculture, as the State appropriates \$100 for agricultural meetings of this nature. Essays will be read by several farmers of the county, and some of the leading agri-culturalists and stock breeders of the state will take part in the discussions. mile south of Butler, to get a 60-quart shot for the B. Forst Oil Co., at Myoma, a 10-quart shot for the McCalmont Oil Co., and a 6-quart shot for the Munhall well.

the supply they needed from the magazine to the wagon, which stood in the field signments, and quite a number of others

the supply they needed from the magazine to the wagon, which stood in the field about fifty feet distant, when they dis-covered that they had forgotten some weights, and sent a boy named Hutchison back to Butler for them with a buggy. Then they continued their work until the explosion—an exptosion that meant one of those horrors peculiar to the oil country occurred. When the neighbors arrived at the scene, no trace of the two men could be seen. They had apparently disappeared from the

Marriage and death notices must be accompanied by a responsible name. JEFFERSON DAVIS died at his home in New Orleans, last Thursday nighi. He was born in Todd Co. Ky. June 3, 1808. though struck by lightning. A pan-shaped hole, about 8 feet wide and 4 feet diep, marked the spot where the wagon stood, and a smaller hole between it and the magazine indicated that one can tanding by itself had corrected that one can tanding by itself had corrected to be the spot target of the county recorded 231 judgments Joe Lawrence the spot target of the county recorded 231 judgments

THE Pennsylvania Railroad now has it and the magazine indicated that one can standing by itself had exploded there.

THE Pennsylvania Railroad now has maids on its limited trains to attend to the magazine indicated that one can attain the indicated that one can attain the latter when traveling alone. As Ohio paper credits John H. Thomas, one of the millionaire candidates for the obio Senatorship, with the declaration that "If I could have the vote necessary not pay the 25 cents." This means one of two things-either that he would have a field gramma being, excepting thefingers, in one piece, was found about 100 yards to the arge of red the solution of a search for the remains of the two men. The right shoulder was found about 100 yards to the arge of red the solut for the solution of a search for the remains of the two men. The right shoulder was found about 100 yards to the arge of red the solut form the hole, which of course the is doing some big lying about a small manual of money. As explosion of an ammonia pipe in a big Newark, New Jersey, brewery last for damonia was so strong that the people of ammonia was so strong that the people of ammonia was so strong that the people of ammonia was so strong that the people of the secent familits scalp were also found. All the other parts of the two men—the heads, arms, bodies and legs were in a toms, have a backed in the separate bores. It was a slated in the separate bores. It was a slated in the secent without an exception of any value were the iron shutters on the fames of any value were the iron shutters on the fames of any value were the iron shutters on the fames of any value were the iron shutters on the fames. Just plain old iron shutters! The Monongahela House, Pittsburg, had The Monongahela House, Pittsburg, had a narrow escape from complete destruction last Thursday noon. A fire originating in their status and environ house in the hear-ment, should be deviator shalt to the tim roof and was spread by it over the entire upper story. The guests were promptly notified and all got out safely. The build-ing was then flooded with water, and the loss is put at \$60,000. The Monongahela House was first built sixty years ago; it was destroyed by the great fire of 1845 and afterwards rebuilt; it is a five story building occupying an entire block and is

son and Frazier were sentenced to 3 years and 9 months each. At Pittsburg, Saturday, W. H. Smith was sentenced to be hanged for the mur-ler of his wife; and Jas. L. Orr was sen-cenced to four years and ten months in the penitentiary for criminal assault.

The Right Rev. Jno. Tuigg, Catholic Rishop of Pittsburg, died at Altoona, last aturday.

NOTES.

A Mahoning county (0.) man shot 190 quirrels in the past six months, while his yife took in 125 washings during the same In boring for oil or gas near Wadsworth

Medina county, Ohio, the prospectors last week, at a depth of 2500 feet struck a bed of pure rock salt, through which the drill has penetrated over one hundred feet. As there are no salt manufactories in North-ern Ohio this strike may be more valuable THE DEAD.

han oil or gas. The large iron tank brought down by the flood from Johnstown and which land-ed in a field below Bolivar Junctien, has been taken back. It was used as an oil tank by the Cambria Iron Company and when it started on its trip of 23 miles down the river it contained 7000 gallons of crude oil

The last check for the Johnstown suffer-ers has been mailed by Secretary Keener. The last distribution amounted to \$1,600, 000. The Secretary says more money has been paid out to Johnstown than the value of the property lost by the flood.
